CE Content Required
■ Ethics, Professional Responsibility and the Indiana Statutes and Administrative Rules (2 hours minimum)

Credit calculation: Online on pre-recorded, self-study with no live interactions, can only be counted as one-half the continuing education requirement for dentists and dental hygienists as distance learning. Any online webinars where you interact with the presenter will count for live hour requirements. The course must be approved by one of the accrediting bodies.

Continuing education is not required by the dentist if they meet one of the following requirements:
A dentist who has held an initial license for less than two (2) years. (Example: Initial license was issued between the dates of March 2, 2024 to March 1, 2026)
A graduate student or a person in a residency program offered by an approved organization.
A person who is determined by the Board as being unable to practice dentistry due to a disability.

CE Content Accepted
Practice Management (5 CE hours maximum)

CE Providers Accepted
Approved Continuing Education Providers

Other activities that count towards CE
(all references are for credits earned during the entire renewal period, unless otherwise noted)

- 1 CE credit for each lecture hour attended for a course presented by a college under a regular curriculum.
- A course by an approved provider other than a college under a regular curriculum is awarded one (1) credit hour for each lecture hour and two (2) credit hours for each participation hour of the course.
- 2 CE credits for a speech, lecture, or other presentation by a dentist if the following conditions are met: The presentation concerns a subject that would be suitable for a continuing education course; The subject of the presentation is eligible for credit only once, regardless of the number of times it is presented; The dentist maintains a record of the time, place, and date of the presentation and the presentation is sponsored by an approved organization (4 CE credits maximum)
- 1 CE credit for attendance at a state, regional, or national meeting sponsored by an approved organization.
- 1 CE credit hour for attending a Study Club meeting that uses films, audio cassettes, live presentations or written materials sponsored by the American Dental Association. Attendance at a meeting of a study club featuring a guest speaker whose presentation concerns a subject suitable for a continuing course is awarded one (1) credit hour for each hour attended. (4 CE credits maximum)
- 1 CE credit per each hour of study material for a home study course that is presented by an approved organization and meets the requirements under this subdivision is awarded the same number of credit hours given to courses provided by a college. If the approved organization does not assess credit hours to a course under this subdivision. Subject matter of the course may be presented by written, audio, or video materials.

The ADA attempts to keep this information current based on information from state dental boards and state dental associations. Individuals seeking dental licensure renewal should consult with the state board of dentistry and their professional advisors for the complete and most recent continuing education requirements, dental licensure renewal information, procedures, forms and fees.

Anesthesia / Sedation Permit Renewal Requirements

■ In order to renew a permit to administer general anesthesia, deep sedation, or light parenteral conscious sedation, a dentist shall obtain five (5) hours of continuing education in every license period in the area of anesthesia. The continuing education may include, but its not limited to, a course in advanced cardiac resuscitation protocols. Courses in basic cardiac life support will not be accepted. The five (5) hours of continuing education required under this section counts toward the completion of continuing education requirements under IC 25-1-3.
