Other activities that count towards CE
(all references are for credits earned during the entire renewal period, unless otherwise noted)

- Traditional in-classroom, with instructor and student interaction and written materials.
- Interactive Television which permits continuous mutual communication between the instructor and all students, continuous observation of the instructor by all students, and continuous observation of all students by the instructor.
- Distance Courses /Online Delivery Distance education courses are defined as programs whereby instruction does not take place in a traditional classroom setting but rather through other media where teacher and student are apart but exchange between instructor and student by electronic means.
- Self-study courses which conclude with an examination may be accepted.

Anesthesia / Sedation Permit Renewal Requirements
Renewal of Conscious Sedation Endorsement: Continued Competence At the time of license renewal, a dentist who wishes to renew the conscious sedation endorsement shall provide documentation of:
■ 6 hours of continuing education in conscious sedation during the licensing period.
■ Treatment of a minimum of ten patients in the preceding two years. In cases where the renewal occurs less than two years after the conscious sedation endorsement was initially issued, the Board may waive all or part of this requirement.
■ Current, successful completion of an Advanced Cardiac Life Support (ACLS) or Pediatric Advanced Life Support (PALS) training as appropriate.
