

1. Looking for an alternative to dental insurance for your practice? Bento's advanced PPO network helps increase your revenue with less hassle and more transactions. Signup takes minutes, approval is within days. [Join the Bento Network for FREE](#)
2. What does it mean to be a Bento Dentist? It means ...
 - Direct, secure and paperless payments
 - Using cutting-edge technology to offer in-office plans and in-chair estimates
 - Spending less time on administration.

Take back control of your practice from traditional insurance companies! [Join the Bento Network for FREE](#)

3. It's official, Bento is endorsed by the @AmericanDentalAssociation! We're honored and proud to receive this endorsement as we continue our mission of providing access to affordable oral care nationwide. Visit the link in our bio to read more!
4. For the first-time, the @AmericanDentalAssociation has endorsed a dental benefits technology company. We're so proud to be that company! Read all about the endorsement at the link in our bio.
