December 22, 2006

The Honorable Candice Miller
U.S. House of Representatives
Washington, DC 20515

Dear Representative Miller:

As the year comes to a close, I want to extend the American Dental Association's (ADA) deep appreciation to you for your work to pass legislation to grant the Air Force Assistant Surgeon General for Dental Services the rank of major general.

This is a significant achievement for our Air Force Dental Corps as they work to ensure readiness, maintain parity between the services and other corps, and promote and enhance Air Force and tri-service dental training. Your bill's (H.R. 1932) inclusion in the National Defense Authorization Act of 2007 brings us one step closer toward attaining these objectives.

Let me also take this opportunity to let you know of our appreciation for the efforts of Sean Moran who, we are told, was extremely helpful in passing this proposal.

Best wishes in the New Year.

Sincerely,

Kathleen Roth, D.D.S.
President

James B. Bramson, D.D.S.
Executive Director
