

Dental Admission Test Audit Request Form

Before official DAT scores are reported, the Department of Testing Services audits all responses to confirm the accuracy of the scores. However, an examinee may make a written request to have his or her test responses audited, or re-checked for scoring accuracy. There is a charge of \$50.00 for score audits. The score audit fee is payable to the American Dental Association in the form of a money order or certified check. Score audits require approximately six weeks to complete and must be requested within 30 days of receipt of the original official score report.

Name (as it appears on your application)	
Street address	City
State	Zip code
E-mail address	
Daytime phone #	
Social Security number	Test date
Comments:
