

Give Kids A Smile® ... Give to the ADA Foundation!*

Another great way to participate in this national children's dental access program is to make a contribution to the ADA Foundation's Harris Fund for Children's Dental Health. Each year, the ADAF provides grants to charitable organizations all over the country in support of their innovative work in preventative dental care for children.

To make a tax-deductible contribution to the ADAF, please complete the form below and mail your gift to:
