

ADA Success

ADA Success offers a series of programs on topics most relevant to students today. Each program is one hour in length and is presented by a volunteer dentist or other subject matter expert. The programs are presented at no charge to students or dental schools by the American Dental Association and/or state and local dental societies. ADA Success helps students prepare for life as a dentist — good choices now, great dentists later.

Tips for Scheduling ADA Success

- Reserve early. Please schedule at least 30 days in advance.
- Mix and match. Schedule as many programs as you'd like and pair programs to meet your students' needs.
- Don't let food become the focus. If scheduling a lunch & learn, block additional time so that the students may eat before or after the presentation.
- Combine ADA Success with another activity hosted by your state or local dental society or ASDA chapter.
- Leverage your ASDA chapter to help promote the program.

Schedule ADA Success today! Complete the attached request form or contact the ADA Office of Student Affairs at 312.440.7470 or studentaffairs@ada.org. Visit ADA.org/successprogram to learn more.
