The ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure are strongly urged to consult with the state board of dentistry and their professional advisors for current dental licensure information.
(a) of Code Section 43-11-47, an applicant who has met the requirements of this Code section shall be granted a provisional license to practice dentistry, which shall be valid for two years from the date it is issued and may be renewed subject to the approval of the board. (d) Application for a provisional license under this Code section shall constitute consent for performance of a criminal background check. Each applicant who submits an application to the board for provisional licensure agrees to provide the board with any and all information necessary to run a criminal background check, including but not limited to classifiable sets of fingerprints. The applicant shall be responsible for all fees associated with the performance of a background check. (e) Upon receipt of license, the applicant by credentials must establish active practice, as defined by rules and regulations of the board, in this state within two years of receiving such license under this Code section or the license shall be automatically revoked.

**Regulation 150-7-.04 Dental Provisional Licensure by Credentials**

(1) For purposes of this rule:

(a) "State" includes Washington D.C. and all U.S. territories.
(b) "Provisional Licensure by Credentials" means a license to practice dentistry in the State of Georgia granted to individuals licensed to practice dentistry in another state who have not met all of the requirements for a regular dental license but who have met equivalent requirements for the practice of dentistry as set forth in O.C.G.A. § 43-11-41 and by board rule.
(c) "Full-Time Clinical Practice" means a minimum of 1,000 hours for each full twelve (12) month period of licensure immediately preceding the date of the application in the hands-on treatment of patients. For the purposes of this rule, each such period shall not be less than a full twelve (12) months. Training programs do not qualify as full-time clinical practice.
(d) "Active Dental License" is defined as an unencumbered license held by an individual without restrictions.
(e) "Full-Time Clinical Faculty Practice" means a minimum of 1,000 hours for each full twelve (12) month period of licensure immediately preceding the date of the application in the teaching of clinical dental skills at an ADA-accredited dental school/program. For the purposes of this rule, each such period shall not be less than a full twelve (12) months. Training programs do not qualify as full-time clinical practice.

(2) Only those applicants licensed and currently engaged in full-time clinical practice as defined in subsection (1)(c) of this rule in a state that has a credentialing law similar to the licensure by credentials law in Georgia will be considered by the board for a provisional license by credentials. Applicants from states not issuing licenses by credentials are ineligible.

(3) The board may, in its discretion, grant a provisional license by credentials to dentists licensed in another state who do not hold a Georgia license to practice dentistry.

(4) As set forth in O.C.G.A. § 43-11-41, an applicant for a provisional license by credentials must also meet the following requirements:

(a) Must have an active dental license in good standing from another state.
(b) Must have received a doctor of dental surgery (D.D.S.) degree or a doctor of dental medicine (D.M.D.) degree from a dental school approved by the board and accredited by the Commission on Dental Accreditation of the American Dental Association (A.D.A.) or its successor agency.
(c) Applicants must have been in full-time clinical practice, as defined in subsection (1)(c) of this rule; full-time faculty as defined in subsection (1)(e) of this rule; or a combination of both for each of the five years immediately preceding the date of the application.
(d) Candidates with any felony convictions are not eligible. Candidates convicted of a misdemeanor involving moral turpitude or dealing with the administering, dispensing or taking of drugs including, but not limited to controlled substances, are not eligible.
(e) Those applicants who have received a doctoral degree in dentistry from a dental school accredited by the Commission on Dental Accreditation of the American Dental Association, or its successor agency, must provide the following in order to complete their application:
  1. Certified copy of the applicant’s testing results showing passage of all sections with a score of 75 or higher or its equivalent score on a clinical examination administered by the board or a testing agency designated and approved by the board.
  (i) After a fourth failure of one or more sections of any clinical examination, no further attempts will be recognized by the board for licensure by credentials in Georgia.
  2. Show passage with a score of 75 or higher on a jurisprudence examination on the laws and rules governing the practice of dentistry in the State of Georgia. Such examination shall be administered in the English language.
  3. Proof of current CPR certification;
  4. Copies of any and all National Practitioner’s Data Bank reports pertaining to the applicant;
  5. Official transcripts under seal from a school or university from which the applicant received his/her doctorate in dentistry;
  6. National Board scores showing passage of all sections of the examination with a score of 75 or higher;
  7. Verification of licensure from all states where the applicant has ever held or currently holds a license to practice dentistry;
  8. Furnish a background check. The applicant shall be responsible for all fees associated with the performance of a background check.
  9. In accordance with O.C.G.A. § 50-36-1, all applicants applying for licensure must submit an Affidavit Regarding Citizenship and submit a copy of secure and verifiable documentation supporting the Affidavit with his or her application.
(5) Those applicants who have received a doctoral degree in dentistry from a dental school not accredited by the Commission on Dental Accreditation of the American Dental Association, or its successor agency, in addition to the information required in subsection (8)(a), (c), (d) and (e) of this rule must also provide the following in order to complete their application:
  (a) Proof of successful completion at an ADA-accredited dental school approved by the board of the last two years of a pre-doctoral program as a full-time student under the conditions required of other full-time students, except as excused or limited in the manner that any other student’s participation would be excused or limited by state and federal law, and receipt of the doctor of dental surgery (D.D.S.) or doctor of dental medicine (D.M.D.) degree; and
  (b) Certification by the dean of the accredited dental school where the applicant took the required supplementary program specified in O.C.G.A. § 43-11-41(a) setting forth that the applicant has achieved the same level of didactic and clinical competency as expected of a graduate of the school and that the student has completed the last two years of a pre-doctoral program under the conditions required of other full-time students, except as excused or limited in the manner that any other student’s participation would be excused or limited by state and federal law.

The ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure are strongly urged to consult with the state board of dentistry and their professional advisors for current dental licensure information.
(6) A certification letter from a dental board or regional testing agency of a passing score of 75 or higher on each section of a clinical licensure examination substantially equivalent to the clinical licensure examination required in Georgia and which was administrated by the dental board or its designated testing agency. A certification letter from the applicant's dental school is not acceptable.
(a) Such certification shall state that the examination included procedures performed on human subjects as part of the assessment of clinical competencies and shall have included evaluations in the following areas:
1. periodontics, human subject clinical abilities testing;
2. endodontics, clinical abilities testing;
3. posterior class II amalgam or posterior class II composite preparation and restoration, human subject clinical abilities testing;
4. anterior class III composite preparation and restoration, human subject clinical abilities testing;
5. crown preparation, clinical abilities testing;
6. prosthetics, written or clinical abilities testing;
7. oral diagnosis, written or clinical abilities testing; and
8. oral surgery, written or clinical abilities testing.
(b) In addition to the foregoing requirements to be eligible for licensure consideration by credentials, a license examination after January 1, 1998 shall include:
1. anonymity between candidates and examination raters;
2. standardization and calibration of raters; and
3. a mechanism for post exam analysis.
(c) After a fourth failure of one or more sections of any clinical examination, no further attempts will be recognized by the board for licensure by credentials in Georgia.
(d) All applicants must show passage of a jurisprudence examination on the laws and rules governing the practice of dentistry in the State of Georgia. Such examinations shall be administered in the English language.
(7) Within the first two (2) years of being granted a provisional license by credentials, the applicant must establish full-time clinical practice that is defined as 1,000 hours in the hands-on treatment of patients per twelve (12) month period, or the license will be automatically revoked.
(8) Active duty military dentists on federal installations are exempt from the state of practice requirement as contained in subsection (2) of this rule as long the applicant has an active license in an acceptable state and meets all other requirements as set forth in this rule.
(9) Contract employees on Georgia federal installations are exempt from the state of practice requirement as contained in subsection (2) of this rule as long the applicant has an active license in an acceptable state and meets all other requirements as set forth in this rule.
(10) These exempt applicants must provide a letter from the supervising authority/commanding officer at the federal installation. Such letter must include but not be limited to the applicant’s general service record, any complaint or disciplinary action as well as continuing education that the credentialing candidate may have obtained.
(11) For the first five biennial renewal periods, the holder of a dental provisional license by credentials must attest to the fact that he or she has maintained full-time clinical practice in the State of Georgia as defined in subsection (1)(c) of this rule.
(12) The Board shall have the authority to refuse to grant a provisional license by credentials to an applicant, or to revoke the provisional license by credentials to a dentist.
