<p>General Licensure Requirements</p>	<p><u>New Hampshire Revised Statutes, Chapter 30, Sec 317-A:8 Applications</u> I. Applications for licensure shall be made to the board in writing or online and shall be accompanied by a fee established in rules adopted under RSA 541-A by the board and by satisfactory proof that the applicant is a graduate of a school that is recognized by the Commission on Dental Accreditation (CODA). The applicant shall be of good professional character and 18 years of age or older. II. Any person applying for any license or privilege under this chapter, including any person seeking to convert from inactive to active status, shall provide the board with information relating to dental competence and professional conduct, to permit the board to make a fully informed decision that the applicant possesses sufficient competence and character to be issued a license under this chapter. III. A temporary license may be issued, at the discretion of the board, to a person for research projects and programs of professional education having clinical dental components. IV. A temporary license may be issued, at the discretion of the board, to dentists and dental hygienists for the provision of voluntary dental or dental hygiene services. To qualify for licensure under this paragraph, the applicant shall be an active, inactive, or former licensee in New Hampshire or in another state or Canadian province as determined by the board. V. No application shall be granted unless the board finds that the applicant possesses the necessary educational, character, and other professional qualifications to practice dentistry or dental hygiene, and that no circumstances exist which would be grounds for disciplinary action against a licensed dentist or hygienist pursuant to RSA 317-A:17, II. <u>New Hampshire Revised Statutes, Chapter 30, Sec. 317-A:9 Examinations.</u> – Applicants for a license to practice dentistry or dental hygiene shall be examined by the board or have successfully passed a national or regional test accepted by the board. Examinations may be oral, clinical, written, or any combination at the discretion of the board and shall be of such character as to test the qualifications of the applicant to practice dentistry or dental hygiene. No license shall be granted to any applicant who shall not pass such examination. <u>New Hampshire Administrative Rules Den 302.04 Dentist Qualifications.</u> (a) In addition to the qualifications included in RSA 317-A:8, an applicant for dental licensure by examination in the state of New Hampshire shall have taken and passed the American Board of Dental Examiners (ADEX) examination, or other similar U.S. regional or state board clinical examination for dentist, including a clinical periodontal/scaling component. The examination shall be completed within the 3 year period prior to the completion of the licensing process in New Hampshire, unless the applicant seeks licensure by endorsement certification as provided in Den 301.02 (h), pursuant to RSA 317-A:12 III, in which circumstance the 3 year period shall not apply. (b) Dentists announcing specialization and limitation of practice shall adhere to section 5-H of the American Dental Association Principles of Ethics and Code of Professional Conduct, as amended 2016, and referenced in Appendix II, except as provided in (c) below.
