\*There are nuances in all state licensing laws and the laws frequently change. ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure are strongly urged to consult with the state board of dentistry and their professional advisors for current dental licensure information.

\*\*Must be a graduate of an accredited Canadian dental school or a graduate of the University of Minnesota on or after 5/2010

\*\*\*Post-doctoral education must be completed in Washington and meet other state specific requirements.
