Saddle up for an exciting time out west. The ADA annual meeting is heading to Denver for the first time since 1930, and we look forward to sharing what ADA 2016 – America’s Dental Meeting® has to offer.

We invite you to hear from the youngest Nobel Peace Prize winner, Malala Yousafzai, during the Distinguished Speaker Series. After being shot by the Taliban in 2012 while traveling home from school, Malala continues her fight for educational rights for all. Her story is one of bravery and passion that will inspire all in attendance.

Innovation is at the core of the continuing education courses offered at the ADA annual meeting. Advance your skills by attending a hands-on cadaver or laser workshop, learn about the latest dental trends during the New and Emerging Speaker Series and join your colleagues for an expert-led discussion at one of the new campfire sessions.

The ADA annual meeting is the nation’s premiere dental event, providing unparalleled opportunities to grow your professional and social networks. More than 150 related dental groups hold their meetings and events alongside the ADA annual meeting. Catch up with old friends at alumni receptions, meet new acquaintances at the Mountain Mixer or network with peers in the New Dentist Lounge. Spend time with hundreds of exhibitors in the Exhibit Hall and learn about the latest dental products while utilizing the show specials.

Boasting more than 300 days of sunshine per year, Denver has a thriving cultural scene with beautiful surroundings and unforgettable attractions that are sure to interest the entire family. Be sure to make time to explore the Mile High City and take advantage of all it has to offer.

We look forward to seeing you at ADA 2016 in Denver.

Kick off the ADA annual meeting with great food, local beer, and colleagues from across the country. Bring your friends and family to this year’s 2016 Mountain Mixer where we’ll be bringing Denver to you.

Experience Denver’s diverse, active outdoor lifestyle through a variety of activities all in one place. Immerse yourself in the thriving Denver culture while taking a tour of the city through your complimentary craft beer tasting and appetizers. Socialize with colleagues and exhibitors, relax and have fun!

Additional beverages will be available for purchase. This event is open to all registered attendees. Badge is required for entry.

Join your friends, colleagues, peers and guests for a night of fine food, drinks and fun as we celebrate our last night in Denver! The ADA is covering the majority of event costs - keeping ticket prices very reasonable. More information will be available soon, but in the meantime, please save the date!
As the legislative and governing body, the House of Delegates is the supreme authority in the American Dental Association. As such, it speaks for more than 159,000 member dentists of the association and for the dental profession in the United States.

Reference committees receive and evaluate opinions and information on resolutions that have been placed before them so they can present well-informed recommendations to the House of Delegates.

Anyone may attend the meetings of the House of Delegates as a visitor, upon display of an ADA 2016 badge.

Attire:
The Speaker has indicated that business casual attire is appropriate for meetings of the House of Delegates. Business casual wear requires slacks, coat or sports coat for men; slacks, skirts or dresses for women.

Pursuant to Resolution 98H-2015, the ADA House of Delegates meeting schedule has been modified to eliminate the fourth meeting. Instead of ending on Tuesday, it will end on Monday. To maintain a quorum it is essential that all Delegates plan to stay until close of business on Monday, the last day of the House.

* Times are approximate and may be modified. The Manual of the House of Delegates and the September issue of The Journal of the American Dental Association will include final information regarding meeting and voting times, specific room assignments for reference committees and additional details on the business sessions. Meeting information will also be posted on the House of Delegates page on ADA.org/meeting.

ADA Humanitarian Award
Dr. Frank C. Andolino III

Be inspired by the work of Dr. Frank C. Andolino III, the 2016 ADA Humanitarian Award recipient. In 2005, he co-founded Kageno, a New York City–based nonprofit operating two community development projects in Kenya and a third in Rwanda. The three projects are on the way to sustainability, serving more than 24,000 people who before had only known devastating poverty. “As a privileged American, it’s my responsibility to help others,” said Dr. Andolino. “If we all played a small part in helping those less fortunate, this planet would be a substantially more balanced and healthy place for everyone.”

ADA Distinguished Service Award
Dr. Peter E. Dawson

Dr. Dawson is considered to be one of the most influential clinicians and teachers in the United States. He is known globally for his contributions to the fields of occlusion and restorative dentistry and for his concepts on the diagnosis and treatment of temporomandibular disorders.

Dr. Dawson is the founder of Florida’s Dawson Academy, a postgraduate educational and clinical research facility dedicated to the advancement of dentistry.

Dr. Dawson is currently putting the finishing touches on his fifth book titled “The Complete Dentist,” co-written with his colleagues at the Dawson Academy.

The Opening General Session is presented by ACT® Oral Care
Born in 1997, Malala Yousafzai grew up in the Swat Valley in northern Pakistan with her parents and two brothers. From the age of 10, Malala has campaigned for the rights of girls to receive an education.

In October 2012, the then 15-year-old Malala was shot by the Taliban while traveling home from school on the bus with her friends.

Following the attack, Malala was flown to Birmingham to receive treatment at the specialist Queen Elizabeth hospital, and by March 2013 she had made a remarkable recovery and was well enough to return to school.

Now living in Birmingham with her family, Malala continues to campaign for the right of every child to go to school. Since the attack, she has become internationally known for her courage in refusing to be silenced and continuing her fight for the right of everyone to receive an education.

Malala’s bravery and unwavering dedication to her cause has seen her honored throughout the world, including one of the world’s highest honors: the Nobel Peace Prize. She became the youngest recipient of the prestigious award in 2014, alongside Indian child rights campaigner Kailash Satyarthi. Malala was also named one of “The 100 Most Influential People in the World” in 2013 by TIME magazine. She is the winner of Pakistan’s first National Youth Peace Prize, the Sakharov Prize for Freedom of Thought and Conscience, the International Children’s Peace Prize, the 2012 Tipperary International Peace Award, the Premi Internacional Catalunya Award of Catalonia, the Simone de Beauvior Prize, The Oklahoma City Reflections of Hope Award and has been honored with Amnesty International’s Ambassador of Conscience award and Glamour’s Woman of the Year Award 2013. She is also the author of the international bestseller *I Am Malala*, which has been published in over 27 territories.

Following the outpouring of support that Malala received throughout her ordeal, she set up an international fund – the Malala Fund – which is dedicated to help promote education for girls throughout the world.

AAWD President’s Message

We are excited to travel to the Mile High City! The American Association of Women Dentists (AAWD) is definitely soaring to new heights this year. How appropriate that we are meeting in the beautiful state of Colorado!

AAWD represents the fastest growing segment in dentistry. We educate, connect and empower women dentists during all phases of their careers. We offer our support in both their professional and personal lives as only other women dentists can do. We are a diverse group of women working in every area of dentistry and influencing its future.

AAWD has a new management firm this year and is working in conjunction with other women’s organizations including the Society for Women’s Health Research.

Dr. Karyl Patten, president-elect, has worked with the Council on ADA Sessions and our new management firm, International Association Management, to provide us with two quality CE speakers.

Dr. Laura Braswell will keep us engaged in an interactive session about oral diseases. Come and get in on the action! We will then have an awards luncheon and installation of officers for 2017 along with a few hand-picked exhibitors who cater to women in dentistry and their unique needs. The afternoon will feature Dr. Melissa Rathburn who will update us on the latest in orthodontics for our patients. We will finish in time for all of us to attend the Distinguished Speaker Series and hear another hero for women, the youngest recipient of the Nobel Peace Prize, Malala Yousafzai.

AAWD is your organization to receive mentoring, leadership training, advocacy and friendship. We exist to provide you that extra spark needed to juggle work, family and friends. Please consider joining us in Denver this fall to add that spark to your life!

Mary E. Martin, DDS
President, AAWD
AAWD RISING TO NEW HEIGHTS in research and education, advancing the science and business of dentistry.

2016 marks a year of change and growth.

Representing the fastest growing segment in dentistry, the American Association of Women Dentists educates, connects, and empowers women at all stages of their careers offering educational opportunities and mentoring future leaders in dentistry.

JOIN AAWD AND WOMEN FROM ACROSS THE COUNTRY IN DENVER.

Originally the organization for the spouses of ADA members, the Alliance of the American Dental Association (AADA) now includes a variety of members – including dentists, hygienists, family members, dental students, and faculty – all dedicated to building and protecting the future of the dental profession.

In partnership with the ADA, the Alliance works to advance the oral health of the public through dental health education, legislative advocacy, and family/staff well-being. Several Alliance programs have reached national acclaim, including: Healthy Smiles from the Start; bilingual newborn education for new mothers, and Head to Toe; goodie bags of hygiene essentials for those in need. Program materials and how-to tips are free to AADA members.

For more information, visit the Alliance website at www.AllianceADA.org.

During the ADA annual meeting, there are two places you can find the Alliance:

1. At Booth #3407 by the ADA Member Center, with demonstrations of AADA outreach and education projects and even a special appearance by the Tooth Fairy! Come see the Alliance in action and learn about the many resources available to AADA members that can further your own personal and professional goals.

2. At the AADA Annual Convention, held Oct. 21-22 at the Embassy Suites Hotel. Alliance leaders and members from around the country will celebrate the year’s accomplishments and direct AADA business for the coming year.
Earn CE and Network in the Dental Hygienist Lounge

Alumni Receptions at ADA 2016

Over 30 schools will host an alumni reception at ADA 2016. Is your school one of them?

Alumni receptions at the ADA annual meeting provide an exciting opportunity to connect with old classmates and meet new ones from across the country. After a day of engaging education, enjoy a fun, relaxing environment and share stories with other alumni.

If you would like your school to host a reception, ask a representative from your school to contact Val Eyssen, ADA meetings and housing manager, at eyssenv@ada.org or call 312.440.2583.

SOME OF THE BEST HIKING IN THE WORLD IS IN DENVER.

Enjoy the fresh, crisp air of the Rocky Mountains
Spend time with family

The Mile High City has plenty of family-friendly activities and attractions. Visit the Village of Healthy Smiles at the Children’s Museum where kids can run their own dental office and learn about oral health in a fun way. Stop by the Downtown Aquarium, Denver Zoo or the Wings Over the Rockies Air & Space Museum.

Discover surrounding neighborhoods

Visit the Golden Triangle Museum District where you can explore the spectacular Denver Art Museum and a neighborhood brimming with galleries, restaurants, music venues, theatres and remarkable architecture. Victorian buildings house specialty boutiques and unique chef-driven restaurants.

Get outside!

Denver is an outdoor paradise. Cruise around the city with Denver B-Cycle, the city’s automated bike sharing program. Denver has more than 85 miles of bike paths and plenty of sites to see. Two wheels aren’t for you? Head toward 16th Street Mall, a pedestrian promenade lined with outdoor cafes, shops and restaurants that runs through the center of downtown. Hop on the free shuttle bus to give your feet a break – it stops at every corner!

If you have time for a road trip, make sure to put Rocky Mountain National Park at the top of your list. With over 400 miles of scenic beauty, the park has hiking trails, tranquil lakes, waterfalls and wildlife. For something a little closer to Denver, Red Rocks Park and Amphitheatre is a naturally formed, world-famous outdoor venue with awe-inspiring hiking and biking trails.

DESIGN YOUR EDUCATIONAL EXPERIENCE

Quickly find the courses that interest you with the complete course listing and customize your educational experience at ADA 2016.

YOU CAN SEARCH BY:
• Speaker
• Category
• Date
• Course title
• Audience
• And more!

The handy Schedule Builder helps you figure out which courses work best with your schedule ensuring you maximize your time in Denver.

After selecting your preferred CE, make sure to register for each course as all courses – even free ones – are ticketed and must be reserved through the ADA 2016 registration site.

Visit ADA.org/meeting and use the ADA 2016 Course Planner to plan your annual meeting continuing education.
No-Fee (Free) Courses

- No-fee course tickets may be obtained through advance registration or on-site until the day before the scheduled course (based on availability).
- Only attendees who have a ticket for a no-fee course will be permitted to enter the room before the start time of the course. Seating for these courses is only guaranteed up to the published start time of the course.
- After the published start time, admittance to each no-fee course will be on a first-come, first-served basis until the room is full.

Fee Courses

- Fee course tickets may be purchased through advance registration or on-site until the scheduled start time of the course (based on availability). Early registration and ticket purchase are recommended because seats are limited.
- If you purchase a ticket for a fee course, your seat is reserved for the duration of the course.

Workshop Requirements

All participants must bring a lab coat and protective eyewear. If your workshop requires other supplies, they will be listed on your course ticket and on the online Course Planner. Check the online Course Planner starting Monday, September 26. Participants who do not bring the proper supplies do not qualify for a refund.

Course Locations

- Colorado Convention Center (unless otherwise noted on course ticket)

The facility name and room number will be printed on each course ticket. Course room locations are also available in the on-site guide and mobile app.

Audience Key

- D Dentist
- S Student
- T Dental Team, including Dental Hygienist, Dental Assistant, Business Assistant, Lab Technician, Allied Health Professionals
- G Guest, including component and constituent staff
- E Exhibitor

Refer to the audience key to determine which courses you have access to.
Course Handouts
In a continued effort to minimize paper waste, traditional course handout materials will be available online beginning on September 26 (not all courses will have handouts). These materials will not be printed for distribution on-site. If you wish to have these materials to reference during the course, please be sure to download them in advance through the online Course Planner at ADA.org/meeting.

Managing Your CE Credits
To obtain your verification of participation documents for CE courses attended during the annual meeting:
- Record your course numbers along with their corresponding verification codes given out at the end of the course.
- Visit ADA.org/meeting beginning October 20. Enter each course number and the verification code. You may access this system for up to three years after the meeting.
- Print your verification of participation document and send a copy to your licensing or regulatory agency.
- Please note that one clock hour equals one credit hour.

Continuing Education Disclaimer
The Continuing Education Program of ADA 2016 is planned and presented by the Council on ADA Sessions to provide attendees with a relevant and rewarding continuing education experience. However, neither the content of a course nor the use of specific products in any program should be construed as indicating endorsement or approval of the views presented or the products used by the ADA or by any of the respective subsidiaries. Speakers are required to disclose to participants any financial, commercial or promotional interest in a product or company that may influence their presentations; however, the ADA shall not be liable for a speaker’s failure to disclose such interest. Please be advised that courses, speakers or scheduling may change without notice.

Affiliate CE Information
A listing of courses with the corresponding AGD subject codes and California-required Category I or II subject matter will be available at ADA.org/meeting in summer 2016.

All Day Head and Neck Dissection: A Cadaver Workshop
Henry A. Gremillion, DDS

Wednesday, 10/19
8 a.m.–4 p.m.
Course Code: 4201
CE Hours: 7.0
See page 49
By 9/16: D S $995
After 9/16: D S $1095

This course will include a detailed dissection of superficial structures of the face, masticatory musculature and temporomandibular joint. Important relationships, from routine dental assessment to clinical procedures, will be highlighted.

Federal Dental Services Day

Dentists serving in the federal services face unique challenges and opportunities. Federal Dental Services Day offers a half-day of continuing education and networking designed specifically for federal dentists, providing fresh perspectives on hot topics in dentistry — with a federal service focus. The session will include a course in oral mucosal disease, as well as other subjects. Topping off FDS Day is the annual reception, offering the ideal setting for socializing with colleagues.
LASERS IN DENTISTRY: A TWO-DAY STANDARD PROFICIENCY COURSE

This two-day program provides dental professionals with a standard proficiency according to the Curriculum Guidelines and Standards for Dental Laser Education, as recognized by the Academy of Laser Dentistry. The course includes both lecture and hands-on learning opportunities and includes a comprehensive overview and basic understanding of all dental laser devices, laser tissue interactions, and safety and operation of a variety of dental lasers.

Participants who successfully complete both the written and clinical simulation proficiency examinations will be recognized as having completed the program for a Standard Proficiency Dental Laser Course and will receive a letter of recognition from the Academy of Laser Dentistry. A certificate of completion for specific dental laser devices will be sent to current or new Academy of Laser Dentistry members.

Prerequisite: The candidate must have a basic understanding of lasers in dentistry. The required hours needed to satisfy this prerequisite are equal to or greater than 2.5 Introductory Course credit hours.

Attendees to Provide: Magnification loupes and specific details about the lasers they utilize. ALD staff will contact each registered attendee by email or phone prior to the course. Attendees must be present for the full course to receive ADA CERP continuing education credit from the ADA and letters of recognition from the Academy of Laser Dentistry.

Course fee includes Academy of Laser Dentistry online exam fee. Online exam must be completed within 90 days of this course. The deadline for the online exam is January 18, 2017. Exam instructions will be provided during the course.

Meals are not included. Attendees will be given a two-hour break for lunch and to visit the exhibit floor.

ADA/DENTSPLY STUDENT CLINICIAN RESEARCH PROGRAM &
2016 DENTAL OFFICE DESIGN COMPETITION

2016 Dental Office Design Competition

Enter the Competition

Is your practice a winner? All newly built offices and offices with leasehold improvements or renovations completed between January 1, 2013 and December 31, 2015 are eligible to enter the competition.

Visit www.wellsfargo.com/dodc to enter. Entries must be postmarked by August 26, 2016. Entries are judged by a panel of experts.

Winners will be announced onsite in the ADA News Convention Daily, receive a $2,500 bonus marketing fund, be featured in Dental Economics, and more.

Discover what it takes to design an award-winning dental office.

Go behind the scenes into a selection of offices from this year’s entries, as well as the 2015 winners.

Learn best practices and get fresh ideas from hands-on exhibits such as floor plans, photos and key project information.

ADA/DENTSPLY Student Clinician Research Program

Celebrate the research accomplishments of dental students from the U.S. and around the world.

The Student Clinician Research Program (SCADA) represents a joint venture between DENTSPLY International and the ADA, which began in 1959. This program recognizes the original clinical, public health, and basic science research conducted by pre-doctoral dental students. The program also introduces students to the value and benefits of ADA membership.

See the on-site guide or meeting app for full details.

Attendees can earn up to 4.0 CE credits for viewing the poster sessions.
NEW AND EMERGING SPEAKER SERIES

Be a Speaker

Do you have what it takes to present a CE lecture at ADA 2016?

The ADA’s New and Emerging Speaker Series offers up-and-coming professional educators the chance to present a one-hour lecture at the ADA annual meeting. A select few will have the opportunity to present at a future ADA annual meeting and become part of a highly recognized group of presenters. New and emerging speakers will also be seen by scouts from other dental meetings, promoted on the annual meeting website and listed in the on-site guide.

Submit your proposal by Friday, June 24, 2016
Visit ADA.org/meeting

Please follow all instructions; incomplete proposals will not be considered.

The Council on ADA Sessions will review all proposals and notify individuals of their acceptance by Friday, July 29, 2016.

New and Emerging Speaker Series presenters are responsible for their own registration, housing and travel expenses and arrangements. Presenters are not eligible for compensation by the ADA.

Attend a Lecture

Be among the first to see new and emerging speakers on the most important dentistry topics.

Plan to attend New and Emerging Speaker Series lectures at ADA 2016. These lectures may be viewed by any attendee – a ticket is not required.

In 2015, 19 presenters were selected from approximately 85 submissions. Check the on-site guide or meeting app for a listing of selected presenters at the New and Emerging Speaker Series.

Attendees will earn 1.0 CE credit for each lecture.

Two of the speakers from the 2015 New and Emerging Speaker Series are included in the ADA 2016 lineup.

Congratulations to
Nakul Rathi, DDS, MS and Jose Bosio, DDS, MS
ADA Science Institute Stage

The ADA Science Institute serves the public, the dental profession and other health professions as an authoritative source of timely, relevant and emerging information on the science of dentistry and promotion of oral health. Take one of several courses offering the latest scientific updates in dentistry at the new stage in the ADA Clinical Zone. Visit ADA.org/meeting for more detailed session information.

Practice your skills in finding evidence online and evaluating what is the best evidence at the EBD Champions Conference. Topics include systematic reviews, clinical practice guidelines, using online resources, the role of the dental team in implementing EBD, and providing care with limited evidence.

The conference has an interactive format with table discussions at the end of each session.
Looking for greater work/life balance and a way to incorporate more wellness into your daily life?

We’ve upped our game in 2016 and will be offering a whole new wellness experience.

In addition to our wellness lecture series and an enhanced ergonomic assessment zone, we will be integrating wellness into the ADA annual meeting experience based on the Psychiatric Rehabilitation Journal’s eight facets of wellness.

- Environmental
- Intellectual
- Physical
- Emotional
- Occupational
- Financial
- Social
- Spiritual

Join the Celebration for the 150th Anniversary of the ADA Code of Ethics

The fundamental purpose of the ADA Code of Ethics is to put the welfare of patients first. We do that by following 5 guiding principles:

1. Respect a Patient’s Wants and Needs
2. Do No Harm
3. Do Good
4. Be Fair
5. Be Truthful

Proudly promote your ADA membership in your office. When a person has a better understanding of the Code of Ethics, 69% are more likely to choose an ADA member dentist.*

There are 5 promises all ADA member dentists make to their patients. Share them today by linking to MouthHealthy.org/ADAmember.

Visit the ADA Member Center during the ADA Annual Meeting for 150th Code of Ethics information and commemorative giveaways.
