

Tracking COVID-19 Vaccination Among Dentists

ADA®

The 3 COVID-19 vaccines with authorization from the FDA are from Pfizer/BioNTech, Moderna, and Janssen. Key facts about the vaccines are available [here](#). Dentists in the [ADA's longitudinal survey](#) of COVID-19 incidence reporting at least one dose of vaccine as well as those reporting being fully vaccinated are presented below. Individual states prioritized different populations for COVID-19 vaccination, so the date on which dentists' eligibility to receive the COVID-19 vaccination [varied by jurisdiction](#).

The ADA will continue to monitor developments related to COVID-19 vaccine approval and administration on behalf of the profession and public. Please visit [ADA.org/virus](https://www.ada.org/virus) for information for dental professionals and [MouthHealthy.org](https://www.mouthhealthy.org) for information for patients.
