National Board Part II Reference Texts

National board test terms are not based on specific textbooks. Test construction committees that develop the Part II examinations use, as reference, the latest editions of the following textbooks:

**Endodontics**
Bender and Seltzer, *The Dental Pulp - Biologic Considerations in Dental Procedures*, Lippincott Williams and Wilkins.
Cohen and Burns, *Pathways of the Pulp*, Mosby.

**Dental Materials**
Craig, *Restorative Dental Materials*, Mosby

**Operative Dentistry**
Charbeneau et al., *Principles and Practice of Operative Dentistry*, Lea and Febiger.
Gilmore et al., *Operative Dentistry*, Mosby.
Goldman et al., *Current Therapy in Dentistry*, Mosby.

**Oral And Maxillofacial Surgery/Pain Control**
Allen, *Dental Anesthesia and Analgesia*, Lippincott Williams and Wilkins.
Little and Falace, *Dental Management of Medically Compromised Patients*, Mosby.
Oral Diagnosis (Oral Pathology, Oral Radiology)
Cawson and Eveson, *Oral Pathology and Diagnosis*, Saunders.
Rubin and Farber, *Pathology*, Lippincott Company, Lippincott Williams and Wilkins.
Mettler and Moseby, *Medical Effects of Ionizing Radiation*, Grune and Stratton.

Orthodontics
Vander Linder et al., *Contemporary Orthodontics*, Mosby.

Pediatric Dentistry/Behavioral Science
Finn and Sidney, *Clinical Pedodontics*, Saunders.
McDonald and Avery, *Dentistry for the Child and Adolescent*, Mosby.
Stewart et al., *Pediatric Dentistry*, Mosby.
Wei, *Pediatric Dentistry-Total Patient Care*, Lea and Febiger.

Patient Management (Dental Public Health and Occupational Safety, Behavioral Science)
Weinstein, Milgrom, and Getz, *Oral Self Care: Strategies for Preventive Dentistry*, University of Washington, Continuing Dental Education.
Burt and Eklund, *Dentistry, Dental Practice and the Community*, Saunders.
Jong, *Community Dental Health*, Mosby.
Harris and Christen, *Primary Preventive Dentistry*, Appleton and Lange.
Periodontics
Fedi, et al., *Periodontics Syllabus,* Lippincott Williams and Wilkins.

Pharmacology
Gangarose, Ciarlone, and Jeske, *Pharmacotherapeutics in Dentistry,* Medical College of Georgia.
Goodman and Gilman, *The Pharmacological Basis of Therapeutics,* MacMillan
Melman and Morelli, *Clinical Pharmacology,*
Yagiela, Dowd, and Neidle, *Pharmacology and Therapeutics for Dentistry, 5th Edition,* Elsevier Health Sciences

Prosthodontics
Brånemark, Chien, Gröndahl, and Robinson (Eds.), *The Osseointegration Book,* Quintessence.
Heartwell and Rahn, *Syllabus of Complete Dentures,* Lea Febiger
Laney and Gibilisco, *Diagnosis and Treatment in Prosthodontics,* Lea Febiger
McLean, *Dental Porcelain,* Quintessence.
Moore, *Clinically Oriented Anatomy,* Williams and Wilkins.
Preiskel, *Precision Attachments in Dentistry,* C.V. Mosby.
