

## Advanced Dental Admission Test (ADAT) Test Day Checklist

This checklist is a summary of the most frequent issues that create complications for examinees on the day of testing. The Department of Testing Services (DTS) encourages you to read the entire *ADAT Guide* and to contact the DTS office at [adat@ada.org](mailto:adat@ada.org) or 800.232.1694 with any questions.

- 1. I am bringing two original, current (not expired) forms of identification (ID) to the testing center:**
  - One government issued ID, with my photograph and signature (e.g. driver license or passport)
  - One ID with my signature (e.g. social security card, credit card, debit card, library card)
- 2. The name on my application matches my IDs exactly.** I will contact the DTS if there is any possibility of a mismatch.  
**Examples:**  
**Matching names:** Joseph Anthony Smith and Joseph Anthony Smith or Joseph Anthony Smith and Joseph A. Smith  
**Non-matching names:** J. Anthony Smith and Joseph Anthony Smith or Joseph Anthony Smith and Joseph Anthony Smith-Johnson
- 3. I will follow the instructions of the test administrator and the rules of the testing center.**
- 4. I have left all non-essential items at home.**
- 5. I will store any personal items, such as cell phone, food, candy, beverages, pens, pencils, lip balm, wallets, keys, jackets, etc. in the assigned locker at the testing center. I understand that I may not access these items during testing or an unscheduled break.**
- 6. I will double check my pockets to ensure they are empty before I sign in to test.**
- 7. I know what to do if I encounter a problem at the Test Center.** If I experience a problem with testing conditions, I must notify the test administrator immediately and will not continue testing if the problem is not resolved. I understand that concerns not resolved at the testing center must be submitted in writing to [testingproblems@ada.org](mailto:testingproblems@ada.org) within five business days of my testing appointment.
- 8. I have made arrangements for my ride or to notify my family or friends after I complete my test and have signed out of the test center. I will not use my cell phone or other electronic devices in the test center or during my testing session.**
- 9. If my address changes after I submit my application and before my scores are reported, I will update my DENTPIN record at [www.ada.org/dentpin](http://www.ada.org/dentpin) .**
