

Last ATDH Administration Window of 2022 Extended through December 14

The Department of Testing Services has extended the final Admission Test for Dental Hygiene (ATDH) administration window of 2022. Candidates can now take the ATDH through December 14, 2022, provided they meet the eligibility requirements described in the [ATDH Candidate Guide](#).

Candidates who plan to test between November 1 and December 14 should carefully consider the following timeline for ATDH results reporting:

ATDH Administration Dates	Results Reporting Date to Candidates and Dental Hygiene Programs (no later than)
November 1 – 19	Friday, December 2
November 20 – December 3	Friday, December 16
December 4 – 14	Thursday, December 22

Candidates who plan to take advantage of the extended testing window should check with the dental hygiene education programs to which they are applying to ensure that their ATDH results will be received prior to those programs' application deadlines.
