Why you should exhibit at SmileCon

SmileCon is the meeting of the voice of dentistry—the ADA. Because of this, attendees from all over the country and the world come to connect with some of dentistry’s leading minds and to see cutting-edge products and services in the field. And unlike other dental meetings, SmileCon is an experience—an all-engaging event that breaks the mold of staid conferences.

What makes SmileCon different:

- Dental Central, our exhibit hall, offers irresistible—and profitable—connections with dental professionals who are the decision makers in their businesses.
- Transformative learning experiences on the floor, often with standing-room-only audiences.
- Serious fun that draws attendees in every day—if they miss a day, they miss a lot!

“There is a genuine effort to unify education, exhibits, and social events. No other meeting has taken the leap of faith to achieve what SmileCon has done.”

Meet our attendees

How many attendees will be there?

We’ve heard this question from one or two exhibitors! Dentists, dental hygienists, dental assistants, business assistants, and lab technicians from the U.S. and over 50 countries consider SmileCon a can’t-miss event year after year. In 2022, our attendance was 9,288—over a 20 percent increase from the previous year. And we’re planning fresh ways to ensure every attendee visits Dental Central. Long story short, you can expect a healthy crowd of highly engaged attendees at SmileCon.

What attendees enjoyed most about Dental Central:
1. Learning about new products and services
2. Testing new products
3. Buying products and services for their practices

We’ve heard you!

Thanks to our exhibitors’ feedback, we’ve improved the floor experience without sacrificing the elements you liked.

- Bringing aisles closer together and eliminating dead space so the **buzz and excitement** of Dental Central builds between booths.
- Four dedicated CE areas are in the back of the hall, so **attendees must walk through the exhibitor aisles** to get to their courses. This is your chance to catch their eyes!
- Doorways from the Opening and Closing Sessions that lead right into Dental Central.
- Surprise and delight elements sprinkled throughout the exhibit hall—**keeping attendees engaged**, so they linger longer.
- Closing Party on Saturday afternoon for **more fun-fueled interaction time with attendees**.

“My team had an amazing time at SmileCon. Our first experience at this show exceeded expectations.”

### Cancellation or reduction of exhibit space

No refunds will be issued for cancellations after **July 14, 2023** and companies are liable for 100% of the total fee of the exhibit space. These cancellation fee terms will apply regardless of the execution date of the application.
