

MEET. PLAY. LEARN. SMILE.

2023
ONSITE
GUIDE

OCT. 5-7, 2023
SMILECON.ORG • #ADASMILECON
ORLANDO, FL

Smiles are inviting, universal, and irresistible. They **spark joy** for all those around them. Dentists and their teams work tirelessly to create them, and you should be **rewarded** with time of your own to smile.

Our reimagined event will do just that. We will **banish boring** and **share smiles** through **electric** events, **dynamic** speakers, **hot-off-the-press** content, and a **community** that's Ahhh-mazing! Every touchpoint at SmileCon will **excite and delight**, all while inspiring you to keep creating new smiles.

WELCOME LETTER

Welcome to SmileCon 2023! You have arrived at a dental meeting like no other. This is where memories will be created, and we can't wait to share them with you.

As part of the SmileCon magic, you will be able to participate in **new immersive learning experiences** offering the best speakers in dentistry, presenting on the most fascinating and innovative topics for everyone in the practice, including a focus on the **future of dentistry with AI**. Our Women in Dentistry Leadership Series has developed into a not-to-be-missed event with a **fierce panel of trailblazing women**. I must thank Dr. Nan Tertel, our Learning Experience Chair, for her unwavering dedication in creating the programming for CE.

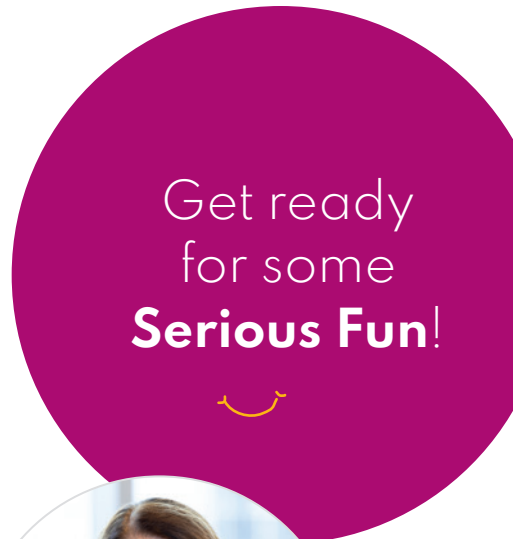

The Opening Session kicks off this year's SmileCon experience, with actor and author Constance Wu, the cellists and dental residents, member stories, and more. It's going to be Ahhh-mazing!

Get ready for an unforgettable evening of magical fun at **Universal Islands of Adventure** on Thursday. This event is for the entire family and team. Let's introduce Harry Potter to the ADA and go on some adventures together!

In Dental Central, the heart of SmileCon, there are so many ways to Meet, Play, Learn, and Smile. Spend some time in the **new Wellness and Oral Medicine Hubs**, play and learn in the **Oral Pathology Escape Room** and the ever-popular **Dental Team Hub**, or share your smile and kick back in a Smile Lounge. On Friday and Saturday, swing by the ADA Hub and **cheer on your future colleagues** during **Dental Olympics**. Amid all the learning fun, make sure to stop and visit our premiere exhibitors to take advantage of show specials, learn about new instruments, and find out what's new in technology. They are very excited to be here and can't wait to meet you!

Bring everyone from the youngest to oldest to the **Grin & Goblin' Fest** on Friday night. Come and enjoy a family-friendly fall festival before entering a spooky, creepy party with live music and magical surprises. And if you are a new dentist, keep the night going with an **After Party** for the grown-up goblins!

I am so excited to see the magic come alive here at SmileCon! It has been my honor and pleasure to be the 2023 Meeting Chair, and this transformative event could not have been possible without my fellow Committee on Annual Meeting members, so thank you. We are ALL looking forward to seeing your SMILES.

CE GENERAL INFORMATION

No pre-registration is required for Presentations or Experiences & Conversations

Presentations (lectures) and Experiences & Conversations are first come, first served for Smile Pass and Platinum Smile Pass holders; your badge will be scanned at the classroom door to track for CE attendance. Dental Central Pass holders may only attend courses in the exhibit hall.

Scan to see the complete course schedule in Agenda Builder.

To plan your schedule, log into the Agenda Builder and “Favorite” the courses that interest you, or build your schedule in the ADA Events app.

Hands-On Activities

Access to Hands-On Activities may be purchased through advance registration or onsite until the scheduled start time of the course (based on availability). Early registration is recommended due to limited seating. If you pre-register for a Hands-On Activity, your seat is reserved for the duration of the course. **Hands-On Activities are only available to Smile Pass and Platinum Smile Pass holders.**

All Hands-On Activities are BYOG—bring your own gear. You must bring a lab coat and protective eyewear. If the course requires other supplies, they will be listed on your course confirmation and in the online Agenda Builder. Participants who do not bring the proper supplies do not qualify for a refund.

Course Handouts

To minimize paper waste, course handouts are available online only. If you wish to have printouts to reference during the course, please be sure to download and print them in advance through Agenda Builder on the Learn page at **SmileCon.org**. Not all courses will have handouts. Learn more about each course and speaker by visiting the Agenda Builder on the Learn Page at SmileCon.org or on the ADA Events mobile app.

Course Locations

All courses are located in the Orange County Convention Center. Refer to the course list on pages 36-46 or visit the ADA Events app.

The American Dental Association is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The American Dental Association designates one (1) credit per hour for CE activities, unless otherwise noted. It is the responsibility of each participant to verify the CE requirements of his or her licensing or regulatory agency and to contact them with any questions regarding licensing. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at **ADA.org/CERP**.

Continuing Education Disclaimer

The Continuing Education Program of SmileCon 2023 is planned and presented by the ADA Advisory Committee on Annual Meetings to provide attendees with a relevant and rewarding continuing education experience. However, neither the content of a course nor the use of specific products in any program should be construed as indicating endorsement or approval of the views presented or the products used by the ADA or by any of the respective subsidiaries. Speakers are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their presentations; however, the ADA shall not be liable for a speaker's failure to disclose such interest. Please be advised that courses, speakers, or scheduling may change without notice.

Learn more about each course and speaker by visiting the Agenda Builder on the Learn Page at **SmileCon.org** or on the ADA Events mobile app.

Verify Your CE Credits

You can verify your CE in the ADA Events app or at **ADA.org/verifyCE**.

- At the end of the course, listen for the host to read the verification code. Make a note of it.
- After you attend a course, it will appear in your account on the Verify CE website. (The site “knows” you attended because your SmileCon badge is scanned at the door.)
- To log in to ADA.org/verifyCE, you will need your Reg ID (on your badge) and the email address you registered with. To verify your CE, you will need the course number plus the verification code.
- Once you've entered your credentials and are in the system, select “Add Session” to search for your course by the four-digit code.
- Once you have added the session you will be prompted to enter the verification code.
- After all sessions are added, complete the survey to obtain your CE Verification letter.
- Print your verification of participation document and send a copy to your licensing or regulatory agency.

Need help verifying your CE? Visit the Solutions Center on Level 2, near S220.

Where is my course?

All courses are located in the Orange County Convention Center on **Level 3**, unless otherwise noted in the Room column. All CE courses in Dental Central are highlighted.

Don't forget to verify your CE!

Verify your CE in the ADA Events mobile app or at [ADA.org/verifyCE](https://ada.org/verifyce).

At the end of the course, listen for the host to read the verification code. Make a note of it.

After you attend a course, it will appear in your account on the Verify CE website. (The site "knows" you attended because your SmileCon™ badge is scanned at the door.)

To log in to ADA.org/verifyCE, you will need your Reg ID (on your badge) and the email address you registered with. To verify your CE, you will need the course number plus the verification code.

Go to the Verify CE site now!
