MEMBER CENTER THEATER SCHEDULE

Thursday, October 13

10–10:45 a.m.	Consider Your Career Options—All of Them <i>ADA Practice Transitions</i>	Some dentists graduate knowing exactly what they want—but many aren't quite sure. Dr. Suzanne Ebert, Vice President of Dental Practice & Relationship Management, will share keys to identifying the right practice and will take your questions on practice transitions.
11–11:45 a.m.	Real Talk C.H.A.T. Surviving and Thriving with Student Debt <i>ADA New Dentist Committee</i>	Moderated by the New Dentist Committee, this Real Talk session features three panelists who will share how they have managed their debt, what they did to achieve their career goals with plenty of fun-spirited jabs at how they've screwed up along the way! Bring all the questions—this panel is ready.
Noon–12:45 p.m.	Cultivating Leadership Skills Through Coaching and Mentoring <i>Dr. Cathy Hung</i>	Developing your leadership skills early in your career will help you thrive in your professional journey. In this session, you'll learn about different leadership styles and how coaching and mentoring will set you up for success.
1–1:45 p.m.	Real Talk C.H.A.T. Coming Out of the Dark—Dealing with Depression <i>ADA New Dentist Committee</i>	In this Real Talk session, dentists will share experiences with depression, anxiety as well as ways to support one another during tough times. They will be joined by leaders from Hope For The Day® (H.F.T.D), a non-profit movement empowering the conversation on proactive suicide prevention and mental health education.
2–2:45 p.m.	Plan Your Financial Journey <i>Santo LoPorto, Equitable and Stephen Dunbar, III, J.D., Equitable Advisors</i>	Learn how to plan, where to turn, and how to get financial insight when you need it most. Hear from financial advisors and dentists who are successfully managing their financial journey.

Friday, October 14

10–10:45 a.m.	Real Talk C.H.A.T. Buying or Building a Practice—A Million Little Questions <i>ADA New Dentist Committee</i>	Whether you are buying or building a practice, one thing is true—you'll have a million questions. In this Real Talk session, dentists in different stages of practice ownership will share their experiences, what they expected and what actually happened and what they've learned along the way.
11–11:45 a.m.	Integration Station: How Dentists Work Together for Smooth and Successful Transitions <i>ADA Practice Transitions</i>	Dr. Suzanne Ebert, Vice President of Dental Practice & Relationship Management, will share the keys to building an integration plan. Learn about the stages and steps that are most challenging for dentists and the areas critical to long-term success for the doctors and the practice.
Noon–1:30 p.m.	Smile Tank—Member Value Innovation <i>ADA Council on Membership</i>	Innovation takes the stage in the second Smile Tank program! This year, five ADA member dentists will be selected from a pool of submissions to present their member value innovation ideas to compete for the top cash prize of \$2,500.
2–3 p.m.	10 Under 10 Award Winner Recognition & Reception <i>ADA New Dentist Committee</i>	Join us to celebrate the ADA 10 Under 10 Award Winners—dentistry's rising stars. We'll recognize the 2022 award winners and have plenty of time to mingle and get to know more about what these amazing dentists are doing to make the world a better place. All are welcome.

Saturday, October 15

11–11:45 a.m.	Real Talk C.H.A.T. When a Procedure Doesn't Go As Planned <i>ADA New Dentist Committee</i>	We've all been there. For whatever reason, your perfectly planned treatment plan did not turn out so perfectly. In this Real Talk session, panelists will share flops, fails and funny moments in dentistry and how they've adjusted and learned as a result.
Noon–12:45 p.m.	Real Talk C.H.A.T. Trust Your Gut in Your Career Journey and other Words of Wisdom <i>ADA New Dentist Committee</i>	Career paths take twists and turns along the way—and dentistry is no exception. In this Real Talk session, you'll hear from dentists who all took different paths in dentistry and how they discovered what was right for them.
