Membership in the ADA is based on the calendar year from January to December. Dues include \$22.00 allocation for subscription to **The Journal of the American Dental Association** and \$8.00 for the **ADA News** and is not deductible from the dues amount. Add \$102.00 for expedited airmail service for **JADA** if desired, if residing in any country except for Canada and Mexico.

**United States Taxpayers** Please Note: The tax law prohibits taxpayers from deducting the expenses that they incur by engaging in lobbying, as defined in the law. Accordingly, only that portion of an associations' member's dues not attributable to lobbying activities remains deductible as an ordinary and necessary business expense. The law requires associations to provide their members with a reasonable estimate of the non-deductible percent of their dues attributable to lobbying activities. For 2021, 6.8% of a member's ADA dues are allocated to lobbying activities. Dues payments and contributions are not deductible as charitable contributions for federal income tax purposes.
