

PRELIMINARY AGENDA
 CDT CODE MAINTENANCE COMMITTEE MEETING
 ADA HEADQUARTERS – HILLENBRAND AUDITORIUM (2ND FLOOR)
 MARCH 9, 2023

SPECIAL NOTICE

The March 2023 in-person meeting is scheduled for one day (Thursday, March 9th) as there are exceptional circumstances this year – the number of action requests to be addressed is notably fewer than in past years.

This meeting is scheduled to convene at 8:00 AM and to adjourn no later than 4:00 PM. Should for any reason the CMC not address all CDT Code Action Requests on the agenda during this time period there will be a separate virtual meeting on a date and time to be determined before adjournment.

Please note that such a separate meeting is permissible according to the CMC’s Operating Protocol (“5.2 Conference Calls The CMC may convene by conference call when an urgent matter is identified for discussion by all member organizations.”)

The March 2024 CMC meeting remains scheduled as a two-day in-person meeting.
