**ADA** 

The following is a compilation of educational resources and training for healthcare providers administering the COVID-19 vaccine. It includes information from the vaccine manufacturers, the federal government, state government and non-governmental organizations.

# **Vaccine Manufacturers**

<u>Pfizer-BioNTech Comirnaty (COVID-19 Vaccine, mRNA):</u> Medical information for U.S. Healthcare Professionals, including, Ingredient and Allergen Checker, Comirnaty Prescribing Information, EUA Fact Sheets and Resources.

<u>Moderna COVID-19 Vaccine:</u> Resources for U.S. Vaccination Providers including Storage and Handling, Dosage and Administration, Clinical Trial Data, Vaccine Eligibility, Safety and EUA Fact Sheets.

<u>Janssen/Johnson & Johnson COVID-19 Vaccine</u>: Resources for U.S. Healthcare Professionals, including vaccine development, timeline and safety and EUA Fact Sheets.

## **Federal Government**

#### U.S. Centers for Disease Control and Prevention

- <u>Immunization Training & Education</u>
- Immunization Courses: Webcasts and Self Study
- COVID-19 Vaccine Training Modules

# Centers for Medicare and Medicaid Services

COVID-19 Vaccine Policies and Guidance

# Defense Health Agency

COVID-19 Vaccine Training: General Overview of Immunization Best Practices for Health Care Providers
(On-demand, self-paced module for health care providers who will be administering the COVID-19
vaccine)

# U.S. Department of Defense

Coronavirus: Operation Warp Speed Resources (includes videos, fact sheets and publications)

# U.S. Food & Drug Administration

- COVID-19 Vaccines (includes news, updates, podcasts and publications)
- COVID-19 Educational Resources (videos, toolkits and podcasts)

# Military Health System

<u>COVID-19 Vaccine Training Center</u> (General overview of immunization best practices for healthcare providers)

# U.S. Department of Veterans Affairs

COVID-19 Vaccine Training

# **ADA**

# COVID-19 Vaccination Administration Training and Educational Resources

# **State Government**

The department of health of each state has an immunization program, and the table below provides the website that contains information for healthcare providers about vaccination administration, enrollment, handling and storage, toolkits and training for the COVID-19 vaccine. A few states list approved courses or specific training that is required. If other organizations or educational institutions are providing training in the state, they are also listed.
