FREQUENTLY ASKED QUESTIONS ABOUT IN-OFFICE PLANS

CAN I CREATE AN IN-OFFICE MEMBERSHIP PLAN IF I AM NOT IN THE BENTO NETWORK?

Yes, you can! Providers will get the most value from Bento by joining the network, providers do not need to join the network to utilize Bento's In-Office plans.

HOW DO PATIENTS JOIN MY IN-OFFICE PLAN?

Once an in-office plan is created you are provided a **practice plan code**. Your patients will use this code to purchase your plan in the Bento Dental App on their smartphone.

CAN I CREATE AND OFFER MULTIPLE PLAN OPTIONS?

Of course! You can create as many plans as you like and customize them for your patient base. Add any service and any dollar amount!

HOW WILL I RECEIVE PAYMENT FROM MY MEMBERS?

All patient payments are processed directly through the Bento mobile app. Bento will directly deposit funds via electronic funds transfer (EFT) to the provider account.

HOW DO YOU INTEGRATE WITH OUR PRACTICE MANAGEMENT SOFTWARE (PMS)?

Bento is compatible and used in conjunction with all current PMS. We make it incredibly easy to reconcile payments. For more information on how to connect to a specific PMS visit bento.net/bentopedia or contact Bento directly.
