

How to Enter a New GKAS Event

Step 1

Click into the GKAS online Data Collection System Sign up: <https://gkas.ada.org/sign-up>, acknowledge the terms & conditions, and continue to Sign Up.

Step 2

Create your new GKAS account by entering a username & password.

- Most people use their email address as their username and create a password 6-digits or more (something easy to remember), as you will use it each time you enter the system.
- You can select activate by Email or by Text Message (a one-time verification link will be sent to you).

Step 3

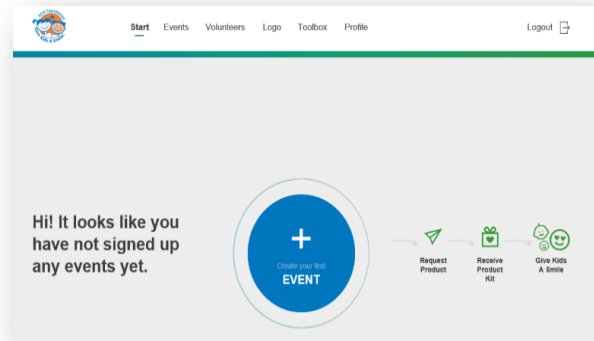

You will receive an email or text verification from GKAS. Click the “Confirm email” link in the email.

Step 4

Click the blue “Go to login” box on your screen. Then proceed to enter your primary contact and organization information.

Step 5

Enter your planned event information.

Step 6 & 7

Request product for your event October 1 - November 15. The product request box will deactivate after Nov. 15.

Enter the names of the dentist and dental student volunteers for your event.

Step 8 – Be sure to click SAVE.

If you have questions please contact us at gkas@ada.org. Thank you very much.
