National Programs

Civil Service

U.S. Department of Health & Human Services: *The National Health Service Corps Loan Repayment Program (NHSC LRP)*

- Offers loan repayment assistance in exchange for working (and partial credit for teaching) in rural, urban, and frontier communities throughout the United States with limited access to healthcare (Health Professional Shortage Areas or HPSAs).
- Provides up to \$50,000 tax-free in loan repayment for two years of full-time service at an NHSC approved site in a Health Professional Shortage Area. Part-time options are also available.
- With continued service, all providers may be able to pay off all their student loans.
- Must have obtained a dental license in the state applying to serve to be eligible to apply.

For more information, please visit: <http://nhsc.hrsa.gov/loanrepayment/>, call 1-800-221-9393 or email GetHelp@hrsa.gov.

Additionally, the **Student to Service Program of NHSC** aims to recruit students in the final year of dental school to enter into the program upon graduation.

U.S. Public Health Service: Commissioned Corps

- Works in coordination with certain Federal agencies to help ease the financial burden of dental school and may offer loan repayment and other educational and family support programs.
- Offers up to \$75,000 in signing bonuses for newly commissioned dentists with a four-year agreement.
- Commissioned Corps officers may have access to the educational benefits provided in the Post-9/11 GI Bill.

For more information, please visit: <https://www.usphs.gov/professions/dentist/>

Veteran Affairs: *Education Debt Reduction Program (EDRP)*

- Provides education debt reduction for repayments to lenders up to \$200,000 over a five-year period (up to \$40,000 annually).
- Each Veterans Health Administration (VHA) facility determines which positions are hard to recruit and retain and when EDRP is offered.
- Additional details may be obtained through the Human Resources Department at each VHA facility and by reviewing incentives offered in each job posting.

For more information, please visit: <https://www.vacareers.va.gov/why-choose-va/education-support.asp>

Veteran Affairs: Student Loan Repayment Program (SLRP)

- Employees are eligible to receive up to \$10,000 per year, with a lifetime maximum of \$60,000, to help repay student loans.
- Please inquire further on the availability of the SLRP when submitting an application for employment.

For more information, please visit: <https://www.vacareers.va.gov/why-choose-va/education-support.asp>

Indian Health Services: Loan Repayment Program

- Awards up to \$40,000 for repayment of qualified loans in exchange for an initial two-year service obligation to practice at an Indian health program site (see locations at <https://www.ih.gov/locations/>)
- The LRP pays directly to the participant (not the lender) the principal, interest, and related expenses incurred for qualified educational loans.
- Can apply if in possession of license to practice or in final year of dental school.

For more information, please visit: <https://www.ih.gov/loanrepayment/> or call 301-443-3396.

Army: Healthcare Professionals Loan Repayment Program (HPLR)

- Receive up to \$50,000 to repay your dental school loans.
- Payments are made over three years, in installments of \$20,000, \$20,000, and \$10,000.
- Participants may be eligible to participate in other incentive programs.
- Must have current, unrestricted state dental license to apply.
- May be eligible for additional sign-on bonuses and benefits.

For more information, please visit: http://www.goarmy.com/amedd/dental/corps_benefits.jsp or call 1-888-550-2769.

Army: Health Professions Scholarship Program

- If you're enrolled in an ADA-accredited D.D.S. or D.M.D. program, you may be eligible to receive full-tuition scholarships for up to four years.
- Additional funding is provided for books, academic fees and a stipend of more than \$2,000.
- During academic breaks, participants train alongside other U.S. Army health care professionals.
- Qualifying dental students are also eligible to receive a \$20,000 sign-on bonus.

Navy: Health Professions Loan Repayment Program (HPLRP)

- Receive up to \$40,000/yr. (minus ~25% federal income taxes) toward dental school repayment.
- Must be qualified for or hold an appointment as a commissioned officer in one of the health professions and sign a written agreement to serve on active duty for a prescribed time period. Be enrolled as a full-time student in the final year of a course of study at an accredited educational institution leading to a degree in a health profession other than medicine, dentistry, or osteopathic medicine.
- Be enrolled in the final year of an approved residency program leading to specialty qualification in medicine, dentistry, or osteopathic medicine.

For more information, please visit: <https://www.med.navy.mil/Dental-Corps/> and <https://www.med.navy.mil/Special-Pays/>, call 301-295-9977, or email (with subject heading "HPLRP") usn.ohstudent@mail.mil.

Air Force: Health Professional Loan Repayment Program (HPLRP)

- Maximum repayment is \$40,000/yr. for up to two years (\$80,000 total), less about 25% tax liability.
- Payments are sent directly to the lending institution on behalf of the ADHPLRP participant.
- Participants incur an active duty obligation (ADO) for two years.
- The program runs on the fiscal year and all completed applications must be received by August 1 for consideration.
