Since the January 2015 issue, Elsevier has been the proud publishing partner of JADA. Elsevier is a trusted partner in the medical community and has provided the latest research and clinical information to healthcare professionals for over a century.

The Journal of the American Dental Association

Published monthly, this premier journal in dentistry contains peer-reviewed editorial on the latest developments in practice and research. Clinical reports, original research, case reports, and editorial on new techniques and improvements affecting dentistry serve to enhance the delivery of dental care.

Since its premiere in 1913, JADA has cornered the market in dental science publishing. No other journal commands the same respect. JADA is the "must-read" publication for the practicing dentist, the dental researcher, the dental educator. It’s the best-read journal in dentistry.*

Today’s JADA continues to offer a wide range of information. Readers benefit from:

- Clinical information in such areas as biomaterials, pharmacology, and cosmetic and esthetic dentistry, as well as general dental practice
- Reports on the increasingly important relationship between dental health and overall health
- Views on the issues of the day
- A continuing education program

Yearly independent readership studies consistently rank JADA as the nation's best-read dental journal.

Circulation

Our BPA audited circulation leads the competition in total qualified paid circulation. These are numbers you can trust that detail a high loyal readership.

American Dental Association News

Established in 1970 as the official newspaper of the American Dental Association, the ADA News serves practicing dentists and others allied to the dental profession in the United States and other countries. Issued twice monthly, with single issuance in July and December, for a total of 22 Issues per year, mailed on the Friday preceding issue date, 2nd class, cover label.

Consider what readers find in each print issue:

- No. 1 source of news and information about the many benefits and services the ADA delivers to its members each day
- The latest on scientific, socioeconomic, and legal developments affecting dentistry
- Regular updates on government actions related to health care from the statehouse to the White House
- Feature stories, letters to the editor, facts on dentistry, updates on U.S. health policy and health system reform, the latest on infection control, Association policy statements and more
- Annual editorial/advertising ratio: 50% editorial matter, 50% advertising.

Print Distribution

When it comes to integration within the dental market, ADA News clearly is the leader with its wide-ranging blanket coverage to dental professionals.

Readership Profile

ADA News ranks No. 1 in readership and ad exposure.*

ADA News delivers maximum readership for maximum impact! ADA News reaches the full spectrum of dental decision-makers. No other dental publication comes close to this amazingly high level of readership.

Terms and Conditions
ADA Publishing welcomes advertising on the ADA's website ADA.org as an important means of keeping dentists, allied professionals and consumers informed about new products and services available in the practice of dentistry.

Companies or their products and services eligible for advertising on ADA.org must be germane to, effective and useful in the practice of dentistry. Products or services offered by responsible advertisers that are not related to dentistry, but are of interest to dentists are eligible for advertising. The publisher reserves the right to accept or reject any advertisement at its sole discretion.

Online copy must be submitted to the publisher at least 10 working days before each calendar month to allow for timely review and processing. Any changes to existing copy within the same calendar month may be subject to production charges.

Payment terms are net 30 days.

Rates, position availability and production charges are subject to change without notice.
The ADA Dental Product Guide is a comprehensive online resource featuring many integrated research capabilities of over 150 categories of products and services for the entire dental staff. This valuable tool is your customer’s one-stop connection to all of their dental needs from equipment to therapeutics to dental materials.

Place a banner ad here, too! See page 11 for specifications and more details.

**Tips/Instructions:**
- You can mix and match the modules.
- CTA buttons can be created in HubSpot or you can provide an image which can be uploaded.
- The html is in the background. All that’s required is to add the content (images, URL, and copy), some elements and style attributes.
- CSS is still required for font-size, color, and other relevant attributes.
- There are three ways to provide the deliverables in a file:
  - Word document (provide an image of the fully created e-mail with a list of the deliverables and how they should render)
  - PDF (just add notes within the pdf with descriptions of how the layout should render)
  - HTML (for those without creative control, I can copy and paste the elements I need)
- Images can be provided as an attachment either individually in an e-mail or in a zip file.
- Images should render correctly in common email clients. JPEGs are a good choice for images, as they are widely supported across most email clients.
- Closing Dates
  - February: February 5
  - April: April 2
  - June: June 4
  - September: September 3
  - October: October 8
  - November: November 5

### Product News

Maximize your ad exposure with a **free** product release in the **Product News** section of select **JADA** and/or **ADA News** issues. With each ad page you reserve in specified issues you earn a **free** product release highlighting any new product or service you choose to feature. Your advertisement will increase the high-level visibility of your message as well as spotlight your products and services.

**Product News guidelines**
- 70 words or less of descriptive copy
- All submissions will be edited to fit guidelines
- 4-color image—minimum of 3” wide, 300 dpi

Issues are highlighted in **blue** on the Comprehensive Print Marketing Calendar on this page.

### JADA Print Advertising Research

A **free** advertising readership study is available to advertisers. You will receive a report that provides timely information on your ad’s exposure, cost per sales contact, readership scores and comments from influential dentists.

**March issue.**

### ADA News Print Bonus Circulation

Seven times per year, **ADA News** is sent to approximately 32,000 additional nonmember dentists beyond its regular circulation. And even better, that is an approximate 27% circulation bonus offered to you **free of charge**!

Issues are highlighted in **gold** on the Comprehensive Print Marketing Calendar on this page.

### Pre-show Issues

Dental trade shows are a key element in all dental marketing plans. Pre-sell your product or service by advertising in **JADA** and/or **ADA News** pre-show issues, timed to hit the dentist’s desk just before the largest dental meetings each year.

Check the Comprehensive Print Marketing Calendar on this page for specific dates.
THE 2019 ADA ANNUAL MEETING

The ADA annual meeting is one of the largest and most prestigious exhibitions in the dental industry. Thousands of dental professionals attend the annual meeting to find out what new products and services are available, to meet with their colleagues, meet with their sales reps, stay informed on ADA activities, participate in Continuing Education courses, attend the Distinguished Speaker Series and much more!

We offer several valuable marketing opportunities for you to promote your product that will deliver maximum advertising exposure for your marketing campaign.

Onsite Guide Additional Advertising Opportunities

Maximize your marketing message with the Onsite Guide’s tab divider, gatefold and cover advertising opportunities. For all four days of the show, entice potential customers to your company’s booth and excite interest in your product/service while increasing sales and brand exposure!

Closing Date: July 22, 2019

Advertising Points Program

Put the numbers right in your marketing mix!

Every dollar you spend on advertising in ADA publications and ADA.org, you will qualify to participate in the program and get one point toward the ADA annual meeting exhibitor space draw process.

Each point accumulated may allow exhibitor advancement in the selection placement in order to obtain a better booth location at ADA annual meeting The more you advertise, the more points you earn.

For more information on this exciting opportunity, please contact your ADA Sales Representative, call 800.621.8099 ext. 2740 or e-mail boydm@ada.org.

May JADA Pre-Convention Show Coverage

(Includes a free ad in the Onsite Guide)

Planning to make a market impact as an exhibitor? JADA offers a special advertising package that gives you two ads for the price of one! When you advertise in the June pre-convention issue of JADA, your ad will be repeated free of charge in the Onsite Guide, which is distributed to thousands of registrants as they arrive at the convention center.

The Onsite Guide contains listings of all exhibitors and advertisers cross-indexed by product type.

Closing Date: March 28, 2019

ADA News Convention Daily

Increase your booth traffic every day of the exhibition with your ad in the ADA News Convention Daily. It reports convention news, highlights of the ADA election, events and announcements.

Distributed to thousands of attendees at the convention center, the ADA News Convention Daily is also available at major convention hotels first thing in the morning. Therefore, your ad will wind up in the hands of thousands of attendees ready to buy your products and services even before the show opens each day!

This is the publication where the news and the show come together.

Closing Date: July 22, 2019

File Format
PDF or PDF/X-1a compliant files, saved as PDF version 1.3.

Transparencies within the supplied PDF(s) will be warned. The transparent elements contained in your file(s) must be converted within the native layout application or flattened in Acrobat using the High Resolution Flatten Presets to avoid overprint issues.

Saving your PDF to Acrobat 4 (PDF 1.3) compatibility will ensure transparent elements are flattened. If the pdf contains spot colors that are not converted to process colors (CMYK) before flattening, overprint and/or trap issues may occur.

The following layout applications yield the optimum results for creating a print-compliant PDF and are expected to follow all requirements listed in this document:
• InDesign version 2 or higher (CS preferred)
• QuarkXPress version 6.5 or higher
• Adobe Illustrator Note: When using Adobe Illustrator it is preferred to have all fonts converted to outline/paths, and files submitted as EPS files.

Additional costs may apply if problems are encountered.

Images
All high-resolution images and fonts must be included. TIFF & EPS files must conform to the following minimum resolution specifications:
• Grayscale and Color images: 300 dpi
• Line art (Bitmap) images: 900-1200 dpi

Higher image resolutions are acceptable as they exceed the minimum requirements, but in some cases unnecessary resolution will be discarded to achieve smaller file sizes.

Fonts
Use of PostScript Type 1 fonts is encouraged. Include fonts for any embedded graphics. DO NOT use Type 3 or Multiple Master fonts. Avoid using Macintosh menu-stylized fonts, Macintosh “city” fonts (Chicago, Geneva, etc.) and Microsoft Outlook fonts (Tahoma, Impact, etc.).

Color Space
All color images and files are to be supplied as CMYK with a Total Area Coverage (TAC) not to exceed 300% for the darkest area of an image. Files supplied as RGB will be automatically converted to CMYK.

Spot Colors
Spot colors are to be identified using the standard Pantone naming convention and not a custom color such as “Dark Blue.” PMS colors will be converted to process unless otherwise specified. When using both art and layout programs be sure spot color naming is consistent in all applications (ex. Do not define both PMS 201CV and PMS 201CVC).

NOTE: Any non-intended spot colors will be converted to CMYK.

Miscellaneous
Continuous tone images (photos) must be high resolution (minimum 300 DPI effective output), total density not to exceed 300%

Support materials must include a printout of media directory, color comp of electronic files, a contact person for electronic files and media directory, color comp of electronic files and all colors set for 4-color separations or specific request for additional spot color.

Trapping and Screening
Overprints and knockouts should be defined. Files are NOT to be trapped or prescreened. Our Prepress service provider will use industry recognized trapping software to auto-trap your files for optimum performance and reproduction on press and will apply the appropriate screening. Note that these trap settings may force small text and fine graphics to overprint to hold registration on press.

Page Layout
Regardless of the file format supplied, all ads must conform to the following specifications:
• Final size must meet publication trim size and include 1/8” bleed image on all four sides.
• Files will include trim marks with a minimum 3/16” offset
• Supply as single page files only
• Right Reading, Portrait Mode, 100% size, No Rotation.
• No content is to be within 1/4” of all trim edges.
• All fonts and graphics must be either embedded or included with the files and conform to the format type listed above. Images must also conform to the specifications above for minimum image resolution.
• All color ads should be supplied as composite files.
• Reverse type should be no less than 6pt. Fine lettering (thin lines, serifs) should be restricted to one color.
• Embedded images should not be scaled, cropped/masked or rotated within the page layout application but instead should be manipulated in a proper image editing program (ex. Photoshop) and then imported into the page layout program at proper size and position.
• DO NOT nest EPS files within EPS files.
• All lines and line art images should be of a minimum 1/3 pt thickness (1/2 pt for reverses) at final size to reproduce effectively on press.
• Crop marks and SWOP color bars must be included and positioned 1/2” outside trim.

Proofs
All color ads require a SWOP-certified contract color proof, which includes a SWOP proofing bar or a GATF proof comparator. All proofs must be produced from the final file submitted. Proofs must be imaged at 100% scale and in accordance with SWOP specifications. For a list of current SWOP-approved proofs visit www.swop.org/certification/systemlist.asp. Proofs generated from any of the approved devices are acceptable.

Desktop inkjet printer proofs do not meet SWOP specifications. Elsevier cannot guarantee color match unless acceptable proof is provided. If a contract color proof is not supplied Elsevier will run to standard ink densities and dot gains. Revised proofs must be supplied whenever a text or design change is made. Any alteration to a file will require output of a new proof at cost to the customer. All black & white or grayscale ads supplied require 100% size lasers for confirmation of ad content.

Delivery
Submit PDF ad files to Elsevier ad portal at www.ads4els.com

Conformance to Specs
Varnishes from the above specifications may not yield results that conform to Elsevier quality control standards.

### Furnished Insert Rates

- **Special Positions:** Contact your ADA Sales Representative for quotes.

- **Postcards:** Used in conjunction with run of book space (minimum of full page) $1,300. Postcards may be stitched or tipped in. Refer to the Print and Electronic Media Specifications insert in the back pocket for additional information.

Variations from standard 2-page inserts subject to special quotation. Regional inserts are available. Contact the Production Coordinator.
FREQUENCY DISCOUNT RATES
Earned rates are based on frequency. Space purchased by a parent company and subsidiaries can be combined for compilation of earned rate.
Frequency discounts are guaranteed throughout contract; however, rates are subject to change per calendar year.

COMBINATION RATES
Advertisers can combine their schedule in *JADA* with a schedule in the *ADA News* to earn a lower rate.

AGENCY COMMISSIONS
15% agency commission when material is provided. No cash discount.

PAYMENT TERMS
Net 30 days. Bills are rendered within 1 week after the issue has been mailed. Any advertiser whose account is more than 90 days past due may not advertise in the current issue or any future issue unless the account is paid in full. Any accounts 90 or more days past due are subject to collection. In the event of nonpayment, the publisher reserves the right to withhold the advertiser’s and/or advertising agency’s monies that are due and payable to the publisher. Insertion orders generated by advertising agencies containing payment disclaimer clauses will not be acknowledged. Cancellations after the published closing date will not be accepted, and the advertiser is liable for the cost of scheduled advertisement.

The publisher reserves the right to decline acceptance of any advertisements for which prepayment has not been received on or before the material deadline.

GENERAL RATE POLICY
Publisher covenants that published rates are uniform to all advertisers. Advertisers will be charged for composition of ads.

ADVERTISING STANDARDS
All advertised products must conform to the official published standards of the American Dental Association. It is required that copy for new advertisements or new products be submitted at least 10 working days before deadline to allow time for Association review.

A copy of the ADA Advertising Standards is appended to this rate card and is available online at [ADA.org/advertisingstandards](http://ADA.org/advertisingstandards).

ADA Advertising Standards

The ADA welcomes advertising in its publications as an important means of keeping the dentist informed of new and better products and services for the practice of dentistry. Such advertising must be factual, dignified, tasteful and intended to provide useful product and service information. These standards apply to all product-specific promotional material submitted to ADA programs. The publication of an advertisement is not to be construed as an endorsement or approval by the ADA or any of its subsidiaries, councils, commissions or agencies of the product or service being offered in the advertisement unless the advertisement specifically includes an authorized statement that such approval or endorsement has been granted. The fact that an advertisement for a product, service or company has appeared in an ADA publication will not be referred to in collateral advertising.

The ADA reserves the right to accept or reject advertising at its sole discretion for any product or service submitted for publication.

**General Requirements**

1) All advertisements submitted for display in an ADA publication are subject to review.

2) Products that are in an ADA Seal program must also satisfy all requirements of the Council on Scientific Affairs, in addition to these standards governing eligibility for advertising in ADA publications. Further information on the evaluation programs of the Council on Scientific Affairs is available by contacting the council office at 312.440.2734.

3) Advertisements must not be deceptive or misleading. All claims of fact must be fully supported and meaningful in terms of performance or any other benefit. The Association reserves the right to request additional information as needed.

4) Advertisements will not be accepted if they conflict with or appear to violate ADA policy, the ADA Principles of Ethics and Code of Professional Conduct or its Constitution and Bylaws, or if the advertisements are deemed offensive in either text or artwork, or contain attacks of a personal, racial or religious nature. The ADA reserves the right to decline advertising for any product involved with a government agency challenge or denial of product marketing, and for any technique or product that is the subject of an unfavorable or cautionary report by an agency of the ADA.

5) By submitting advertising copy, advertisers certify that such copy and the advertised product(s) are in accord with applicable government laws and regulations such as equal opportunity laws and regulations covering new drug applications and prescription drug advertising. For example, products that require approval by the U.S. Food and Drug Administration for marketing must receive this approval before being eligible and must include “full disclosure” when required. It is the responsibility of the advertiser to conform to regulations of the FDA and all legal requirements for the content of claims made for products. Acceptance of advertising in ADA publications is not to be construed as a guarantee that the manufacturer has complied with such laws and regulations.

6) Complete scientific and technical data, whether published or unpublished, concerning product safety, operation and usefulness will be required.

7) The advertisement may cite, in footnotes, references from dental and other scientific literature provided the reference is truthful and is a fair and accurate representation of the body of literature supporting the claim made.

8) Comparative advertising claims for competing products and services must be substantiated adequately. Companies wanting to make comparative claims must comply with the ADA Criteria for Substantiation of Comparative Claims (see next column). Unwarranted disparagements or unfair comparisons of a competitor’s products or services will not be allowed.

9) Display advertising with respect to employment, purchase of practice, participation or any other contractual relationship with any dental care delivery mode or system may be accepted for publication. Such opportunities may also be advertised in the classified section of ADA publications without any illustrations or graphics.

10) Alcoholic beverages and tobacco products are not eligible for advertising.

11) Books and electronic media are eligible for advertising but a sample may be required in advance for review.

12) An advertisement for an educational course is eligible if it is offered by a provider that is recognized by the ADA Continuing Education Recognition Program (ADA CERP) or conducted under the auspices of the following organizations: an ADA constituent or component dental society, an ADA-recognized dental specialty certifying board or sponsoring organization, an accredited dental or medical school, or any organization specifically referred to in the Bylaws of the ADA, and educational courses offered by providers recognized by the Academy of General Dentistry Program Approval for Continuing Education (AGD PACE). The eligibility of an advertisement for a course conducted by or under the auspices of an organization or commercial entity other than the aforementioned will be determined on a case-by-case basis.

13) The advertiser and the product or service being offered should be clearly identified in the advertisement. In the case of drug advertisements, the full generic name of each active ingredient will appear.

14) Advertising that simulates editorial content must be clearly identified as advertising. The word “advertisement” must be displayed prominently.

15) Guarantees may be used in advertisements provided the statements that are “guaranteed” are truthful and can be substantiated. However, no guarantee should be used without disclosing its conditions and limitations. When space or time restrictions preclude such disclosures, the advertisement must clearly reveal where the full text of the guarantee can be examined before purchase.

16) Advertisements must not quote the names, statements or writings of any individual, public official, government agency, testing group or other organization without their express written consent. Guidelines for the use of testimonials are available upon request.
