Nebraska

| Initial Licensure Requirements | CITA, CRDTS  
|                               | CDCA with either the CDCA Patient-based Periodontal Examination or the CRDTS Patient-based Periodontal Examination  
|                               | SRTA Dental Examination with CRDTS Periodontal Examination  
|                               | WREB Dental Examination with CRDTS Prosthodontic Manikin Examination or the CDCA Prosthodontic Manikin Examination  |

| License by Credential: Clinical experience requirements (years and/or hours) | Documentation of being actively engaged in the practice of dentistry or in an accepted residency or graduate training program for at least three (3) years, with one (1) of the years within the three (3) years immediately preceding the date of the application |

| Other License by Credential Requirements | Statute 38-1120. Dentist; reciprocity; requirements. Every applicant for a license to practice dentistry based on a license in another state or territory of the United States or the District of Columbia shall meet the standards set by the board pursuant to section 38-126 and shall have been actively engaged in the practice of dentistry for at least three years, one of which must be within the three years immediately preceding the application, under a license in another state or territory of the United States or the District of Columbia. Practice in an accredited school or college of dentistry for the purpose of completing a postgraduate or residency program in dentistry also serves as active practice toward meeting this requirement.
