ADA Member Access to the UIC Library of the Health Sciences
Begins June 1, 2015

UIC Library of the Health Sciences
1750 W. Polk, Chicago, IL 60612
312-996-8966
http://library.uic.edu/lhs/chicago

Access will provide additional library services for ADA Members who live in or are visiting the Chicago area. The ability to access the UIC Library of the Health Sciences is part of the 2013 ADA Library & Archives Transition plan.

Hours for access can be found here.

A) In order to access the UIC Library of the Health Sciences:

- ADA Members are asked to have their ADA Member Card with them at all times.
- The first time a member visits the UIC Library of the Health Sciences, they are asked to report to the front Patron Desk and fill out a Library Patron Information Form. This only has to be done once.
- Their ADA member card, will in essence, become their UIC library card.

B) Once Members have filled out the Library Patron Information form, they will have access to:

- The entire Book Collection (medical as well as dental): this includes the use of the online catalog, browsing the shelves, and the ability to check out books. Members will also be able to use the eBook collection.
- The UIC Database Collection (Please note that these databases can only be accessed within the UIC Library itself).
- The entire Journal Collection (medical as well as dental): this includes the use of the online catalog and the eJournal collection.
- The expertise of the UIC Library staff and Liaison Librarians who will help answer any questions that you may have (Author, Subject, Topic help and assistance with all information tools).

C) Other points to remember when using the UIC Library of the Health Sciences:

- ADA Members who check out books are asked to be cognizant of the due date and return all checked-out materials by or before the due date.
- A major renovation project began on the first floor of the UIC Health Library of the Health Sciences on March 1, 2015. Along with the normal noise and mess of a renovation, there will be a reduced number of guest PC’s available through December 31, 2015.
- Certain dates are listed as “Extended Hours” and ADA members will not be able to access the UIC Health Sciences Library during these times. Click here for dates and times. If in doubt, please call the number listed above.

D) ADA Library Staff will continue to offer regular services to ADA Members on the days when the Association is open. Please visit the Member Center on ADA.org for information on the ADA Library & Archives.
