

IN-OFFICE PLAN QUICK TIPS

- Bento's In-Office plan configuration is completely customizable.
- Create a plan name that your patients will see and recognize before purchase.
- Add custom discounts for patients to add family members or for seniors 65+
- Share the value directly with your patients when they search for your plan in the Bento Dental app
- Select the any and all of your locations where patients can use your in-office plan.
- Get paid for plans directly, make sure to verify your method of payment in the Bento portal before submitting your in-office plan to be reviewed by Bento.
