

New! ADA Success

ADA Success offers a series of programs on topics most relevant to students today. Each program is one-hour in length and is presented by a volunteer dentist or other subject matter expert. The programs are presented at no charge to students or dental schools by the American Dental Association and/or state and local dental societies. ADA Success helps students prepare for life as a dentist — good choices now, great dentists later.

Program Topics

Managing Debt
and Wealth

Future of
Dentistry

Practice
Management
for All Dentists

Finding
a Job

All About
Associateships

Understanding
Employment
Agreements

Tips for Scheduling ADA Success

- Reserve early. Please schedule at least 30 days in advance.
- Mix and match. Schedule as many programs as you'd like and pair programs to meet your students' needs.
- Don't let food become the focus. If scheduling a lunch & learn, block additional time so that the students may eat before or after the presentation.
- Combine ADA Success with another activity hosted by your state or local dental society or ASDA chapter.
- Leverage your ASDA chapter to help promote the program.

Schedule ADA Success today! Complete the attached request form or contact the ADA Office of Student Affairs at 312.440.7470 or studentaffairs@ada.org. Visit ADA.org/successprogram to learn more.

Program Descriptions

Managing Debt and Wealth

This program addresses:

- Basic financial principles for long-term success
- A budget timeline for dental students and new graduates
- Strategies to reduce debt and manage wealth

Recommended for: D1 and D2 students. Presented by an ADA member dentist. One hour in length. Supplemental material will be available on ADA.org.

Practice Management for All Dentists

This program addresses:

- Basic practice management principles
- Attracting patients to your practice
- Calculating income
- Understanding dental benefit plans
- Leadership skills for the office

Recommended for: D3 and D4 students. Applicable to dentists entering any practice setting. Presented by an ADA member dentist. One hour in length. Supplemental material will be available on ADA.org.

All About Associateships

This program addresses:

- Tips to find the right associateship
- Calculating your income as an associate
- Understanding your responsibility and liability
- Basics of your employment agreement

Recommended for: D3 students. Presented by an ADA member dentist. One hour in length. Supplemental material will be available on ADA.org.

Future of Dentistry

This program addresses:

- The trends in the market impacting the dental sector
- The key forces reshaping the practice environment
- New opportunities to think about in planning for your practice over the next 10 to 20 years.

Recommended for: D3 and D4 students as well as faculty. Presented by an ADA member dentist in concert with ADA economic and policy experts. One hour in length. Supplemental material will be available on ADA.org.

Finding a Job

This program addresses:

- Strategies for finding the ideal practice setting
- Resume/CV preparation and interview tips
- The new dentist experience in finding a job after dental school

Recommended for: D3 and D4 students. Applicable to dentists entering any practice setting. Presented by an ADA member dentist. One hour in length. Supplemental material will be available on ADA.org.

Understanding Employment Agreements (available January 2016)

This program addresses:

- The key provisions of dentist employment agreements
- The differences between employees and independent contractors
- Salary, commission, bonuses and benefits
- Points to consider when hiring a lawyer to review an employment agreement

Recommended for: D3 and D4 students. Presented by a licensed attorney from the ADA or state or local dental societies. One hour in length. Supplemental material will be available on ADA.org.

2015-2016 Request for Success Programs

Please select the programs you would like to schedule for your school.
Each program is available to all students at every school, every year.
