Dental Licensure Objective Structured Clinical Examination (DLOSCE)
Accommodation Request

The Joint Commission on National Dental Examinations (JCNDE) provides reasonable and appropriate accommodations in accordance with the Americans with Disabilities Act for individuals with documented disabilities who demonstrate a need for accommodation. Accommodations will not be noted on your test results or shared with any third party (e.g. dental schools, state licensing agencies, etc.).

The Americans with Disabilities Act defines a person with a disability as an individual with a physical or mental impairment that substantially limits one or more major life activities.

English as a second language, text anxiety or slow reading without an identified underlying physical or mental deficit, or failure to achieve a desired outcome, generally are not covered by the Americans with Disabilities Act.

Testing accommodations may be provided to a candidate with a qualified disability to offer equal access to testing.

Candidates must request testing accommodations with each application, but will not be required to submit additional documentation for the same disability condition with subsequent retest applications. Candidates requesting the same accommodations as previously provided by JCNDE will have to submit the accommodations request form.

Request for Testing Accommodations and Appropriate Documentation

The following information will assist the candidate in submitting the appropriate documentation to support the testing accommodations request. The documentation will assist the JCNDE in determining whether the individual qualifies for accommodations under the Americans with Disabilities Act.

The JCNDE requires a complete evaluation of the candidate as well as the completed and signed Testing Accommodations Request Form. A health care professional appropriately qualified for evaluating the disability must conduct the evaluation.

If you have a documented disability recognized under the Americans with Disabilities Act and require testing accommodations, you must submit 1) an application to test, 2) the Testing Accommodations Request Form, and 3) the supporting documentation prior to testing. Your submission is not complete until you have provided all three components.

Procedures for submitting a testing accommodations request are as follows:

1. While submitting your DLOSCE application, and prior to scheduling a testing appointment, select “Yes” from the drop down on the application to indicate you are requesting testing accommodations. After your accommodations request is approved, you will receive an eligibility email with scheduling instructions. You cannot schedule prior to receiving this email. Testing accommodations cannot be added to a previously scheduled testing appointment. If you schedule your testing appointment before the
approval of testing accommodations, you will be required to cancel the appointment and pay a reschedule fee.

You will receive an eligibility letter, via email, once your accommodations have been approved.

2. Submit the following documents as a **single attachment** to testingaccommodations@ada.org:

   a. **Testing Accommodation Request Form**, signed and dated, indicating the disability or medical condition, and the need for accommodations. Accommodations should align with the identified functional limitation so that the adjustment to the testing procedure is applicable to the identified impairment. A functional limitation is defined as the behavioral manifestation of the disability that impedes the individual’s ability to function.

   b. **Current evaluation report** (from within the past five years) from the appropriate health care professional. The document must be on official letterhead and should include the professional’s credentials, signature, address, and telephone number. The report must indicate the candidate’s name, date of birth, and date of evaluation. The report should include:

      - The specific **diagnostic procedures or tests** administered. Diagnostic methods used should be appropriate to the disability and in alignment with current professional protocol.

      - The **results** of the diagnostic procedures and tests and a comprehensive interpretation of the results.

      - The specific **diagnosis of the disability** with an accompanying description of the candidate’s limitations due to the disability.

      - A summary of the complete evaluation with **recommendations for the specific accommodations** and how they will reduce the impact of identified functional limitation.

   c. **Documentation of any previous accommodations** provided by educational institutions or other testing agencies. If no prior accommodations were provided, the licensed professional should include a detailed explanation as to why no accommodations were given in the past and why accommodations are needed now.

**Unacceptable Forms of Documentation**

Please do not submit the following documents. The JCNDE will not accept them.

- Handwritten letters from licensed professionals.
- Handwritten patient records or notes from patient charts.
- Diagnoses on prescription pads.
- Self-evaluations found on the internet or in any print publication.
- Research articles.
- Original evaluation documents; please submit copies of the original documents.
• Previous correspondence from the JCNDE. We maintain copies of all correspondence.
• Correspondence from educational institutions or testing agencies not directly addressed to the JCNDE.
