The ADA attempts to keep this information current based on information from state dental boards and state dental associations. Individuals seeking dental licensure renewal should consult with the state board of dentistry and their professional advisors for the complete and most recent continuing education requirements, dental licensure renewal information, procedures, forms and fees.

CE Providers Accepted
Click here for a list of continuing education providers have applied for and received approved sponsor status with the Iowa Dental Board.

Other activities that count towards CE
(all references are for credits earned during the entire renewal period, unless otherwise noted)

- 1.5 CE credit hours per day for attendance at a multiday convention-type meeting held at a national, state, or regional level and involves a variety of concurrent educational experiences directly related to the practice of dentistry. (6 CE credit hours maximum per renewal period)
- 15 CE credit hours per semester for postgraduate study relating to health sciences.
- 4 CE credit hours for a presentation of an original table clinic at a meeting as verified by the sponsor when the subject matter conforms with rule 650—25.5(153).
- 2 CE credit hours for attendance at the table clinic session of a dental, dental hygiene, or dental assisting meeting shall receive two hours of credit as verified by the sponsor when the subject matter conforms with rule 650—25.5(153).
- 15 CE credit hours for successful completion of a recognized specialty examination or the Dental Assisting National Board (DANB) examination.
- 12 CE credit hours maximum per renewal period for self-study activities.
- An original presentation of continuing dental education shall result in credit double that which the participants receive. Additional credit will not be granted for the repeating of presentations within the biennium. Credit is not given for teaching that represents part of the licensee's or registrant's normal academic duties as a full-time or part-time faculty member or consultant.
- 5 CE credit hours for publication of scientific articles in professional journals related to dentistry, dental hygiene, or dental assisting. (20 CE credit hours maximum per renewal period)

Anesthesia / Sedation Permit Renewal Requirements
■ 6 CE credits hours minimum in the area of sedation (hours count toward total required).
■ ACLS certification
A permit to administer deep sedation/general anesthesia or moderate sedation shall be renewed biennially at the time of license renewal. Permits expire August 31st of every even-numbered year. Failure to renew the permit prior to November 1st following its expiration shall cause the permit to lapse and become invalid for practice.
