Other activities that count towards CE
(all references are for credits earned during the entire renewal period, unless otherwise noted)

- State and National meetings, i.e., a meeting of the local, state, or American Dental Association, local, state, or American Dental Hygiene Association, National Dental Association, and/or educational programs sponsored by the recognized specialty groups in dentistry of the American Dental Association; one hour credit for each hour of attendance, and only the portion of such meeting which meets the definition of continuing education can be accepted for credit.

The ADA attempts to keep this information current based on information from state dental boards and state dental associations. Individuals seeking dental licensure renewal should consult with the state board of dentistry and their professional advisors for the complete and most recent continuing education requirements, dental licensure renewal information, procedures, forms and fees.

- District meetings and Study Clubs. In order to qualify as a Study Club in the State of Nebraska, the Dental Study Club must have a charter or constitution, officers, and consist of at least four licensed members. The Study Club must submit a list of meetings, including length, date and topics by March 1 of the reporting period; one hour credit for each hour of attendance, and only the portion of such meeting which meets the definition of continuing education can be accepted for credit.
- Formal education courses which relate directly to the practice of dentistry or dental hygiene; one hour credit for each hour of attendance.
- University-sponsored courses in continuing education in dentistry or dental hygiene; one hour credit for each hour of attendance.
- 2 CE credit hours maximum for the Licensee acting as table clinician or lecturer to licensed dentists, licensed dental hygienists or dental auxiliaries or licensee attending table clinics; one hour credit for each hour of presentation or attendance.
- 10 CE credits maximum for home study with testing mechanism. If there is not a testing mechanism or certificate of completion, the licensee must submit an abstract or resume of the material covered to the Board of Dentistry. The abstract or resume must be written by only the licensee and will be reviewed by members of the Board's subcommittee on continuing education;
- 2 CE credits maximum for direct clinical observation; 1 CE credit – 1 hour of direct clinical observation.
- 5 CE credits maximum for faculty Overseeing Student Dental Clinics; one hour credit for each hour of faculty overseeing student dental clinics.
- 5 CE credits maximum for Dental Public Health continuing education; 1 CE credit = 1 hour of dental public health continuing education;
- 5 CE credits maximum for Ethics and Professionalism continuing education; 1 CE credit = 1 hour of ethics and professionalism
- 5 CE credits maximum for Substance Abuse / Well-being continuing education; 1 CE credit = 1 hour credit for each hour of well-being (substance abuse) continuing education;
- 5 CE credits maximum in a renewal period for participating in a volunteer activity such as Mission of Mercy or equivalent.

Anesthesia / Sedation Permit Renewal Requirements

■ 8 CE hours minimum in an American Heart Association Certified “hands on” course in Advanced Cardiovascular Life Support (ACLS) must be obtained for moderate and general sedation permits.

■ 6 CE hours minimum in a renewal period must be obtained in general anesthesia or sedation administration and management for the dental office continuing education for licensees holding any level of sedation permit.
