Other activities that count towards CE
(all references are for credits earned during the entire renewal period, unless otherwise noted)

- 50% of hours per renewal period (20 hours for Dentists renewing biennially) may be completed as home-study, on-line study, self-study or journal study which are taught through correspondence, webinar, compact disc or digital video disc.
  "A webinar continuing education course would qualify as a live lecture course as long as the course is in real time and you are able to interact with the instructor and/or other participants."

- 6 CE credit hours maximum for attendance at business sessions of a dental or dental hygiene society (1 CE credit hour = 1 hour of attendance). Continuing education courses offered in addition to the business meetings may also be counted.
- 6 CE credit hours maximum for study by group may be approved for continuing education if the organizer of the group complies with the requirements of subsection 5 and furnishes the Board with a complete list of all members of the group, a synopsis of the subject to be studied, the time, place and duration of the meetings of the group, and the method by which attendance is recorded and authenticated.
- 6 CE credit hours maximum for dental and dental hygiene services provided on a voluntary basis to nonprofit agencies and organizations approved by the Board. (3 CE hours credit per day)

Anesthesia / Sedation Permit Renewal Requirements
■ 6 CE hours are required for dentists who hold a general anesthesia or moderate sedation permit in courses of study that specifically relate to anesthesia or sedation, as applicable before the permit may be renewed; hours count toward total required. Board-approved courses:
