Initial Licensure	CDCA-WREB-CITA, CRDTS, SRTA, performed on manikins or patients or
Examination	Delaware Practical Board exam or DLOSCE
Requirements	An applicant must pass a Board examination consisting of a clinical portion
	administered by the Board, or any clinical Board examination administered by any
	state, Regional testing agency, national testing agency or other Board-recognized
	testing agency. Clinical examination results will be recognized by the Board for
	five years.
	Source: Oregon Board of Dentistry Licensure by Examination Application
General	Oregon Revised Statutes Chapter 679 – Dentists
Licensure	§679.060 Application for license, fees, grounds for refusal
Requirements	(1) Any person desiring to practice dentistry in this state shall file an application
	with the Oregon Board of Dentistry.
	(2) At the time of making the application, the applicant shall:
	(a) Pay to the board the required application and examination fee.
	(b) Furnish the board with evidence satisfactory to the board of details of any
	convictions recorded in any police records. Such details are subject to the findings
	required by ORS 670.280.
	(c) Present to the board a diploma or evidence satisfactory to the board of
	having graduated from an accredited dental education program approved by the
	board.
	(3) If an applicant has been in practice in another state or states the applicant
	shall furnish an affidavit from the secretary of the board of dental examiners or
	similar body of such state or states that the applicant has been engaged in the
	legal practice of dentistry in such state or states for a period of time prescribed by
	the rules of the Oregon Board of Dentistry.
	(4) The board may refuse to issue a license to or renew a license of an
	applicant who has been convicted of a violation of the law if the board makes the
	findings required by ORS 670.280. A certified copy of the record of conviction is conclusive evidence of conviction.
	(5) The board may refuse to issue a license to or renew a license of an
	applicant who has been disciplined by a state licensing or regulatory agency of this
	or another state regarding any health care profession when, in the judgment of the
	board, the act or conduct resulting in the disciplinary action bears a demonstrable
	relationship to the ability of the licensee or applicant to practice dentistry in
	accordance with the provisions of this chapter. A certified copy of the record of the
	disciplinary action is conclusive evidence of the disciplinary action.
	(6) The board may refuse to issue a license to or renew a license of an
	applicant who has falsified a license application, or any person for any cause
	described under ORS 679.140 or 679.170.
	(7) Fees paid are not refundable.
	§679.065 Qualifications of applicants; rules. (1) An applicant for a dental
	license shall be entitled to take the examination to practice dentistry in Oregon if
	the applicant:
	(a) Is 18 years of age or older; and
	(b) Is a graduate of a dental school accredited by the Commission on Dental
	Accreditation of the American Dental Association or its successor agency, if any,
	which must have been approved by the Oregon Board of Dentistry.
	(2) Foreign trained graduates of dental programs may apply for the dental
	licensure examination, providing the applicant meets the board's requirements, by
	rule, as will reasonably assure that an applicant's training and education are
	sufficient for licensure.
	§679.070 Examination; acceptable results. (1) The Oregon Board of Dentistry
	may administer written, laboratory or clinical examinations to test professional
	knowledge and skills.

·	
	(2) The examination must be elementary and practical in character but
	sufficiently thorough to test the fitness of the applicant to practice dentistry. It must
	include, written in the English language, questions on any subjects pertaining to
	dental science.
	(3) If a test or examination was taken within five years of the date of application
	and the applicant received a passing score on the test or examination, as
	established by the board by rule, the board:
	(a) To satisfy the written examination authorized under this section, may
	accept the results of national standardized examinations.
	(b) To satisfy the laboratory or clinical examination authorized under this
	section:
	(A) Shall accept the results of regional and national testing agencies or clinical
	board examinations administered by other states; and
	(B) May accept the results of board-recognized testing agencies.
	(4) The board shall accept the results of regional and national testing agencies
	or of clinical board examinations administered by other states, and may accept
	results of board-recognized testing agencies, in satisfaction of the examinations
	authorized under this section for applicants who have engaged in the active
	practice of dentistry in other states, in Oregon or in the Armed Forces of the United
	States, the United States Public Health Service or the United States Department of
	Veterans Affairs for at least 3,500 hours in the five years immediately preceding
	application and who meet all other requirements for licensure.
	§679.080 Reexamination of applicants; rules. The Oregon Board of Dentistry
	may adopt rules requiring additional education and examination of applicants who
	have failed the licensing examination three times.
	<b>§679.090 Issuance of license.</b> The Oregon Board of Dentistry shall, upon the applicant's satisfactory completion of the educational requirements and written,
	laboratory and clinical examinations authorized under this chapter and upon
	receipt of the requisite fees, issue or renew the appropriate dental license.
	Oregon Administrative Rules, Chapter 818 Oregon Board of Dentistry
	§818-021-0010 Application for License to Practice Dentistry
	(1) An applicant to practice general dentistry, in addition to the requirements set
	forth in ORS 679.060 and 679.065, shall submit to the Board satisfactory evidence
	of:
	(a) Having graduated from a school of dentistry accredited by the Commission on
	Dental Accreditation of the American Dental Association; or
	(b) Having graduated from a dental school located outside the United States or
	Canada, completion of a predoctoral dental education program of not less than two
	years at a dental school accredited by the Commission on Dental Accreditation of
	the American Dental Association, and proficiency in the English language; and
	(c) Certification of having passed the dental examination administered by the Joint
	Commission on National Dental Examinations or Canadian National Dental
	Examining Board Examination.
	(2) An applicant who has not met the educational requirements for licensure may
	apply for examination if the Dean of an accredited school certifies the applicant will
	graduate.
	(3) An applicant must pass a Board examination consisting of a clinical portion
	administered by the Board, or any clinical Board examination administered by any
	state, or regional testing agency, national testing agency or other Board-
	recognized testing agency and a jurisprudence portion administered by the Board.
	Clinical examination results will be recognized by the Board for five years.
	(4) A person who fails any Board approved clinical examination three times must
	successfully complete the remedial training recommended by the testing agency.
	Such remedial training must be conducted by a dental school accredited by the
	Commission on Dental Accreditation of the American Dental Association.
	this information surront based on information from state dental beards, clinical testing agencies and state dental

The ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure should consult with the state board of dentistry and their professional advisors for the complete and most recent dental licensure information, application requirements, forms and fees.

	(5) Prior to initial licensure, an applicant must complete a one-hour pain
	management course specific to Oregon provided by the Pain Management
	Commission of the Oregon Health Authority (Effective July 1, 2022).
License by	Oregon Administrative Rules, Chapter 818 Oregon Board of Dentistry
Credential/	§818-021-0011 Application for License to Practice Dentistry Without Further
Endorsement	Examination
Requirements	(1) The Oregon Board of Dentistry may grant a license without further examination
•	to a dentist who holds a license to practice dentistry in another state or states if the
	dentist meets the requirements set forth in ORS 679.060 and 679.065 and submits
	to the Board satisfactory evidence of:
	(a) Having graduated from a school of dentistry accredited by the Commission on
	Dental Accreditation of the American Dental Association; or
	(b) Having graduated from a dental school located outside the United States or
	Canada, completion of a predoctoral dental education program of not less than two
	years at a dental school accredited by the Commission on Dental Accreditation of
	the American Dental Association or completion of a postdoctoral General Dentistry
	Residency program of not less than two years at a dental school accredited by the Commission on Dental Accreditation of the American Dental Association, and
	proficiency in the English language; and
	(c) Having passed the dental clinical examination conducted by a regional testing
	agency, by a state dental licensing authority, by a national testing agency or other
	Board-recognized testing agency; and
	(d) Holding an active license to practice dentistry, without restrictions, in any state;
	including documentation from the state dental board(s) or equivalent authority, that
	the applicant was issued a license to practice dentistry, without restrictions, and
	whether or not the licensee is, or has been, the subject of any final or pending
	disciplinary action; and
	(e) Having conducted licensed clinical practice in Oregon, other states or in the
	Armed Forces of the United States, the United States Public Health Service or the United States Department of Veterans Affairs for a minimum of 3,500 hours in the
	five years immediately preceding application. Licensed clinical practice could
	include hours devoted to teaching by dentists employed by a dental education
	program in a CODA accredited dental school, with verification from the dean or
	appropriate administration of the institution documenting the length and terms of
	employment, the applicant's duties and responsibilities, the actual hours involved
	in teaching clinical dentistry, and any adverse actions or restrictions; and
	(f) Having completed 40 hours of continuing education in accordance with the
	Board's continuing education requirements contained in these rules within the two
	years immediately preceding application.
	(2) Applicants must pass the Board's Jurisprudence Examination.
	(3) Prior to initial licensure, an applicant must complete a one-hour pain management course specific to Oregon provided by the Pain Management
	Commission of the Oregon Health Authority (Effective July 1, 2022).
	(4) A dental license granted under this rule will be the same as the license held in
	another state; i.e., if the dentist holds a general dentistry license, the Oregon
	Board will issue a general (unlimited) dentistry license. If the dentist holds a license
	limited to the practice of a specialty, the Oregon Board will issue a license limited
	to the practice of that specialty. If the dentist holds more than one license, the
	Oregon Board will issue a dental license which is least restrictive.
Continuing	Oregon Administrative Rules, Chapter 818 Oregon Board of Dentistry
Education	§818-021-0060 Continuing Education — Dentists
	(1) Each dentist must complete 40 hours of continuing education every two years.
	Continuing education (C.E.) must be directly related to clinical patient care or the
	practice of dental public health.

·1	
	(2) Dentists must maintain records of successful completion of continuing
	education for at least four licensure years consistent with the licensee's licensure
	cycle. (A licensure year for dentists is April 1 through March 31.) The licensee,
	upon request by the Board, shall provide proof of successful completion of
	continuing education courses.
	(3) Continuing education includes:
	(a) Attendance at lectures, dental study groups, college post-graduate courses, or
	scientific sessions at conventions.
	(b) Research, graduate study, teaching or preparation and presentation of
	scientific sessions. No more than 12 hours may be in teaching or scientific
	sessions. (Scientific sessions are defined as scientific presentations, table clinics,
	poster sessions and lectures.)
	(c) Correspondence courses, videotapes, distance learning courses or similar self-
	study course, provided that the course provides a certificate of completion to the
	dentist. The certificate of completion should list the dentist's name, course title,
	course completion date, course provider name, and continuing education hours
	completed.
	(d) Continuing education credit can be given for volunteer pro bono dental services
	provided in the state of Oregon; community oral health instruction at a public
	health facility located in the state of Oregon; authorship of a publication, book,
	chapter of a book, article or paper published in a professional journal; participation
	on a state dental board, peer review, or quality of care review procedures;
	successful completion of the National Board Dental Examinations taken after initial
	licensure; a recognized specialty examination taken after initial licensure; or test
	development for clinical dental, dental hygiene or specialty examinations. No more
	than 6 hours of credit may be in these areas.
	(4) At least three hours of continuing education must be related to medical
	emergencies in a dental office. No more than four hours of Practice Management
	and Patient Relations may be counted toward the C.E. requirement in any renewal
	period.
	(5) At each renewal, all dentists licensed by the Oregon Board of Dentistry will
	complete a one-hour pain management course specific to Oregon provided by the
	Pain Management Commission of the Oregon Health Authority (Effective July 1,
	2022).
	(6) At least two (2) hours of continuing education must be related to infection
	control.
	(7) At least two (2) hours of continuing education must be related to cultural
	competency (Effective January 1, 2021).
	(8) A dentist placing dental implants must complete at least seven (7) hours of
	continuing education related to the placement and/or restoration of dental implants
	every licensure renewal period (Effective January 1, 2024).
	818-021-0080 Renewal of License Before the expiration date of a license, the Beard will, as a courtesy, mail notice for
	Before the expiration date of a license, the Board will, as a courtesy, mail notice for
	renewal of license to the last mailing address on file in the Board's records to every
	licensee holding a current license. The licensee must complete the online renewal
	application and pay the current renewal fees prior to the expiration of said license.
	Licensees who fail to renew their license prior to the expiration date may not
	practice dentistry, dental therapy or dental hygiene until the license is reinstated
	and are subject to the provisions of OAR 818-021-0085, "Reinstatement of Expired
	Licenses."
	(1) Each dentist shall submit the renewal fee and completed online renewal
	application by March 31 every other year. Dentists licensed in odd numbered years
	shall apply for renewal in odd numbered years and dentists licensed in even
	numbered years shall apply for renewal in even numbered years.

## Oregon Laws & Rules Updated: 21 March 2025

Specialty Practice	<ul> <li>(2) Each dental hygienist must submit the renewal fee and completed online renewal application by September 30 every other year. Dental hygienists licensed in odd numbered years shall apply for renewal in odd numbered years and dental hygienists licensed in even numbered years shall apply for renewal in odd numbered years.</li> <li>(3) Each dental therapist must submit the renewal fee and completed and signed renewal application form by September 30 every other year. (12) Prosthodontics.
§818-021-0015 Certification as a Specialist
The Board may certify a dentist as a specialist if the dentist:
(1) Holds a current Oregon dental license;
(2) Is a diplomate of or a fellow in a specialty board accredited or recognized by
the American Dental Association; or
(3) Has completed a post-graduate program approved by the Commission on
Dental Accreditation of the American Dental Association.
§818-021-0017 Application to Practice as a Specialist
(1) A dentist who wishes to practice as a specialist in Oregon, who does not have
a current Oregon license, in addition to meeting the requirements set forth in ORS
679.060 and 679.065, shall submit to the Board satisfactory evidence of:
(a) Having graduated from a school of dentistry accredited by the Commission on
Dental Accreditation of the American Dental Association and active licensure as a
general dentist in another state. Licensure as a general dentist must have been
obtained as a result of the passage of any clinical Board examination administered
by any state or regional testing agency;
(b) Certification of having passed the dental examination administered by the Joint
Commission on National Dental Examinations or Canadian National Dental
Examining Board Examination; and
(c) Proof of satisfactory completion of a post-graduate specialty program
accredited by the Commission on Dental Accreditation of the American Dental
Association.
(d) Passing the Board's jurisprudence examination.
(e) Completion of a one-hour pain management course specific to Oregon
provided by the Pain Management Commission of the Oregon Health Authority
(Effective July 1, 2022).
(2) A dentist who graduated from a dental school located outside the United States
or Canada who wishes to practice as a specialist in Oregon, who does not have a
current Oregon license, in addition to meeting the requirements set forth in ORS
679.060 and 679.065, shall submit to the Board satisfactory evidence of:
(a) Completion of a post-graduate specialty program of not less than two years at a
dental school accredited by the Commission on Dental Accreditation of the
American Dental Association, proficiency in the English language, and evidence of
active licensure as a general dentist in another state obtained as a result of the
passage of any clinical Board examination administered by any state or regional
testing agency; or
(b) Completion of a post-graduate specialty program of not less than two years at a
dental school accredited by the Commission on Dental Accreditation of the
American Dental Association, proficiency in the English language and certification
of having successfully passed the clinical examination administered by any state or
regional testing agency within the five years immediately preceding application;
and
(c) Certification of having passed the dental examination administered by the Joint
Commission on National Dental Examinations or Canadian National Dental
Examining Board Examination; and
(d) Passing the Board's jurisprudence examination; and
(e) Completion of a one-hour pain management course specific to Oregon
provided by the Pain Management Commission of the Oregon Health Authority
(Effective July 1, 2022).
(3) An applicant who meets the above requirements shall be issued a specialty
license upon:
(a) Passing a specialty examination approved by the Board within the five years
immediately preceding application; or

## Oregon Laws & Rules Updated: 21 March 2025

<ul> <li>(b) Passing a specialty examination approved by the Board greater than five years prior to application and</li> <li>(A) Having conducted licensed clinical practice in the applicant's postdoctoral dental specialty in Oregon, other states or in the Armed Forces of the United States, the United States Public Health Service or the United States Department of Veterans Affairs for a minimum of 3,500 hours in the five years immediately preceding application. Licensed clinical practice could include hours devoted to teaching the applicant's dental specialty by dentists employed by a dental education program in a CODA-accredited dental school, with verification from the dean or appropriate administration of the institution documenting the length and terms of employment, the applicant's duties and responsibilities, the actual hours involved in teaching clinical dentistry in the specialty applicant is applying for, and any adverse actions or restrictions; and;</li> <li>(B) Having completed 40 hours of continuing education in accordance with the Board's continuing education requirements contained in these rules within the two years immediately preceding application.</li> <li>(4) Any applicant who does not pass the first examination for a specialty license may apply for a second and third regularly scheduled specialty examination.
