Initial Licensure	CDCA-WREB-CITA, CRDTS, SRTA
Examination	Parts I and III of ADEX are not required for WREB examinees for
Requirements	examinations taken on or after January 1, 2009.
	Note: On July 12, 2023, the Wisconsin Dentistry Examining Board
	unanimously approved Marquette University School of Dentistry (MUSD) as a
	dental testing service under Wis. Stat. s. 447.04(1)(a)4 as they satisfy the
	requirements set forth in Wis. Admin. Code s. DE 2.005(1) and (2). This
	allows MUSD graduates to be exempt from completing this exam for
	licensure. This approval will continue until July 12, 2028 unless revoked or
	renewed by the Board.

General Licensure	Wisconsin Statutes 447.04 Licensure. (1) DENTISTS.
Requirements	(a) The examining board shall grant a license to practice dentistry to an
qui onionio	individual who does all of the following:
	1. Submits an application for the license to the department on a form provided
	by the department.
	2. Pays the fee specified in s. 440.05 (1).
	3. Submits evidence satisfactory to the examining board that he or she has
	graduated from an accredited dental school.
	4. Submits evidence satisfactory to the examining board that he or she has
	passed the national dental examination and the examination of a dental testing
	service approved by the examining board.
	5. Passes an examination administered by the examining board on the
	statutes and rules relating to dentistry.
	5m. Submits evidence satisfactory to the examining board that he or she has
	current proficiency in cardiopulmonary resuscitation, including the use of an
	automated external defibrillator achieved through instruction provided by an
	individual, organization, or institution of higher education approved under s.
	46.03 (38) to provide such instruction.
	6. Completes any other requirements established by the examining board by
	rule.
	(b) Except as provided in par. (c), the examining board may grant a license to
	practice dentistry to an individual who is licensed in good standing to practice
	dentistry in another state or territory of the United States or in another country
	if the applicant complies with all of the following requirements:
	1. Meets the requirements for licensure established by the
	examining board by rule.
	2. Submits evidence satisfactory to the examining board that the person has
	current proficiency in cardiopulmonary resuscitation, including the use of an
	automated external defibrillator achieved through instruction provided by an
	individual, organization, or institution of higher education qualified to provide
	such instruction. The examining board shall consult with the department of health services to determine whether an individual, organization, or institution
	of higher education is qualified to provide instruction under this subdivision.
	3. Presents the license to the examining board and pays the fee specified
	under s. 440.05 (2).
	(c) 1. The examining board shall grant a license to practice dentistry to an
	applicant who is licensed in good standing to practice dentistry to an
	jurisdiction upon presentation of the license and who does all of the following:
	a. Pays the fee specified in s. 440.05 (2).
	b. Submits evidence satisfactory to the examining board that the applicant has
	been offered employment as a full-time faculty member at a school of
	dentistry in this state.
L	นอกแอแร III แทอ อเลเอ.

c. Makes responses during any interview that the examining board may
require that demonstrate, to the satisfaction of the examining board, that the
applicant is competent to practice dentistry.
d. Submits evidence satisfactory to the examining board that
the person has current proficiency in cardiopulmonary resuscitation, including
the use of an automated external defibrillator achieved through instruction
provided by an individual, organization, or institution of higher education
qualified to provide such instruction. The examining board shall consult with
the department of health services to determine whether an individual,
organization, or institution of higher education is qualified to provide
instruction under this subdivision.
2. A license granted under subd. 1. authorizes the license
holder to practice dentistry only within educational facilities.
3. A license granted under subd. 1. is no longer in effect if the
license holder ceases to be employed as a full-time faculty member at a
school of dentistry in this state.
4. The examining board may promulgate rules to carry out the
purposes of this paragraph.
Wisconsin Administrative Code Dentistry Examining Board Chapter DE 2
DE 2.005 Dental testing service and dental hygiene testing service
requirements.
A dental testing service or dental hygiene testing service may be approved if
all the testing service's exams meet all of the following requirements:
DE 2.005(1)
(1) Test clinical knowledge.
(2) Include a practical component on application of the basic principles
utilizing live human patients or simulated patients.
DE 2.01 Application for license.
(1) An applicant for license as a dentist shall submit all of the following to the
board:
(a) An application on a form approved by the board.
(c) The fee authorized by s. 440.05 (1), Stats.
(d) Evidence of successful completion of an examination on the statutes and
rules relating to dentistry.
(e) Evidence satisfactory to the board of having graduated from an accredited
dental school.
(f) Verification from the Joint Commission on National Dental Examinations or
other board-approved professional testing services of successful completion of
an examination.
(g) Verification from a board-approved testing service of successful completion
of an examination taken within one year immediately preceding application.
(h) Evidence satisfactory to the board the applicant has current proficiency in
cardiopulmonary resuscitation, including the use of an automated external defibrillator achieved through instruction provided by an individual,
organization, or institution of higher education approved by the Wisconsin
department of health services. Note: Application forms are available upon request to the board office at 1400 East Washington Avenue, P. O. Box 8935,
Madison, Wisconsin 53708.
(1m) An applicant for a license as a dentist who is a graduate of a foreign
dental school shall submit all of the following to the board:
(a) Evidence satisfactory to the board of having graduated from a foreign
dental school.
(b) The information required in sub. (1) (a) to (d), (f) and (g).

	successfully completed a board specialty certification examination in a dental
	specialty recognized by the American Dental Association.
	(f) The applicant has successfully completed a jurisprudence examination on
	the provisions of Wisconsin statutes and administrative rules relating to
	dentistry and dental hygiene.
	(g) The applicant possesses a current certificate of current proficiency in
	cardiopulmonary resuscitation, including the use of an automated external
	defibrillator, achieved through instruction provided by an individual,
	organization, or institution of higher education approved by the Wisconsin
	department of health services.
	(h) The applicant has disclosed all discipline which has ever been taken
	against the applicant in any jurisdiction shown in reports from the national
	practitioner data bank and the American Association of Dental Boards.
	(i) The applicant has presented satisfactory responses during any personal
	interview with the board which may be required to resolve conflicts between
	the licensing standards and the applicant's application.
	(2) The board may grant a license as a dental hygienist to an applicant who
	holds a license in good standing issued by the proper authorities of any other
	jurisdiction of the United States or Canada upon payment of the fee as
	determined by the department under s. 440.03 (9) (a), Stats., and submission
	of evidence satisfactory to the board that all of the following conditions are
	met:
	(a) The applicant has graduated from a school of dental hygiene accredited by
	the Commission on Dental Accreditation of the American Dental Association.
	(b) The applicant submits a license from each jurisdiction in which the
	applicant is or has ever been licensed stating that no disciplinary action is
	pending against the applicant or the license, and detailing all discipline, if any,
	which has ever been imposed against the applicant or the license.
	(d) The applicant has successfully completed an examination that, in the
	board's judgment, is substantially equivalent to an examination administered
	by a board approved testing service.
	(e) The applicant has successfully completed a jurisprudence examination on
	the provisions of Wisconsin statutes and administrative rules relating to
	dentistry and dental hygiene.
	(g) The applicant possesses a current certificate of proficiency in
	cardiopulmonary resuscitation from a course provider approved by the
	Wisconsin department of health services.
	(h) The applicant has disclosed all discipline which has ever been taken
	against the applicant in any jurisdiction shown in reports from the national
	practitioner data bank and the American Association of Dental Boards.
	(i) The applicant has presented satisfactory responses during any personal
	interview with the board which may be required to resolve conflicts between
	the licensing standards and the applicant's application.
Specialty Practice	Wisconsin Administrative Code, Chapter DE6 Unprofessional
	Advertising
	DE 6.01 Authority . The rules in this chapter are adopted pursuant to authority
	in s. 447.07 (3) (o), Stats.
	DE 6.02 Unprofessional advertising. The following, without limitation
	because of enumeration, constitute unprofessional advertising:
	(1) Publishing or communicating statements or claims in any media which are
	false, fraudulent or deceptive.
	(2) Compensating or giving anything of value to media representatives in
	anticipation of or in return for professional publicity, unless the payment or

	 receipt of an object of value is disclosed to the public. (3) Refusing to honor payment in the amount of an advertised price for a service during the period of time stated in the advertisement. (4) Including in an advertisement: (a) A patient's identity or any identifiable fact, datum or information, without the patient's permission, (b) A name of a dentist who has not been associated with the advertising dentist for the past year or longer, (c) Notice of a practice as a specialist in a dental specialty unless the dentist has successfully completed a post-doctoral educational training program approved by the Commission on Dental Accreditation of the American Dental Association. Advertising as a specialist in a non-American Dental Association-recognized specialty is prohibited.
Continuing Education	 Wisconsin Statutes, Chap 447, Dentistry Examining Board 447.05 Expiration and renewal. Renewal applications shall be submitted to the department on a form provided by the department on or before the applicable renewal date specified under s. 440.08 (2) (a) and shall include the applicable renewal face determined by the department under s. 440.03 (9) (a). The examining board may not renew a license to practice dentistry unless the applicant for renewal attests that he or she has current proficiency in cardiopulmonary resuscitation, including the use of an automated external defibrillator achieved through instruction provided by an individual, organization, or institution of higher education approved under s. 46.03 (38) to provide such instruction. The examining board may not renew a license to practice dental hygiene unless the applicant for renewal attests that he or she has complied with s. 447.055 and any rules promulgated by the examining board under s. 447.055, that he or she has a current perificiency in the use of an automated external defibrillator achieved through instruction provided by an individual, organization, or institution of higher education approved under s. 440.03 (38) to provide by an individual, organization, or institution. 447.056 Continuing education; dentists. (1) Except as provided in subs. (2) to (4), a person is not eligible for renewal of a license to practice dentistry, other than a permit issued under s.447.02 (3), unless the person has taught, attended, or otherwise completed, during the 2-year period immediately preceding the renewal date specified under s. 440.08 (2) (a), 30 credit hours of continuing education does not satisfy the requirements under this subsection unless the continuing education is one of the following: (a) Sponsored or recognized by a local, state, regional, national, or international dental or medical professional organization. (b) A college-level course that is offered by a postsecondary inst

Wisconsin Laws & Rules Updated: 7 April 2025

(3) Credit hours completed before the 2-year period immediately preceding
renewal of a license to practice dentistry may not be applied to fulfill the credit
hours required under sub. (1).
(4) The examining board may waive the continuing education requirements
under sub. (1) if it finds that exceptional circumstances such as prolonged
illness, disability, or other similar circumstances have prevented a person
licensed to practice dentistry from meeting the requirement.
(5) A person who is licensed to practice dentistry shall keep a written record
detailing each continuing education credit completed in compliance with sub.
(1) and shall maintain the written record for not less than 6 years after the
person completes each credit. The examining board may require applicants for
renewal of a license to practice dentistry to submit proof of compliance
with the requirements of this section.
Wisconsin Administrative Code Dentistry Examining Board Chapter DE 2
DE 2.02 Duration of License
(1) Every person granted a license as a dentist shall be deemed licensed for
the current biennial license period.
(2) Every person granted a license as a dental hygienist shall be deemed
licensed for the current biennial license period.
(3) Licensees shall qualify biennially for renewal of license.
DE 2.03 Biennial renewal.
(1) REQUIREMENTS FOR RENEWAL; DENTISTS. To renew a license a
dentist shall, by October 1 of the odd-numbered year following initial licensure
and every 2 years thereafter, file with the board all of the following:
(a) An application for renewal on a form prescribed by the
department.
(b) The fee authorized by s. 440.08 (2), Stats.
(c) Evidence satisfactory to the board that the licensee has current proficiency
in cardiopulmonary resuscitation, including the use of an automated external
defibrillator, achieved through instruction provided by an individual,
defibrillator, achieved through instruction provided by an individual, organization, or institution of higher education approved by the Wisconsin

Life Support or Pediatric Advanced Life Support. Pediatric Advanced Life
Support is required if treating podiatric patients and is a sufficient cortification
by itself if the licensee is treating both pediatric and adult patients.
(6) REINSTATEMENT. A dentist or dental hygienist who has unmet
disciplinary requirements and failed to renew the license within 5 years or
whose license has been denied at renewal, surrendered or revoked may apply
to have the license reinstated following submission of all of the following: (a)
Evidence of completion of the requirements in sub. (5) (b) if the license has not
been active within 5 years. (b) Evidence of completion of the disciplinary
requirements, if applicable. (c) Evidence of rehabilitation or change in
circumstances that indicates reinstatement to practice will not constitute a
danger to the public or a patient.

Wisconsin Administrative Code Dentistry Examining Board Chapter DE
13
DE 13.02 Definitions. In this chapter:
(1) "Accredited" means accredited by the American Dental Association
Commission on Dental Accreditation or its successor agency. (2) "Credit hour" means 60 minutes, of which at least 50 minutes are
instruction attended by the student.
(3) "Professional organization" means an organization that seeks to further the
dental, dental hygiene, or medical professions, the interests of licensees
engaged in those professions, and the public interests. "Professional
organization" includes a study group, as defined in sub. (4).
(4) "Study group" means a group of 2 or more dentists or dental hygienists
who discuss continuing education topics relating to the practice of dentistry or
medicine, or the clinical practice of dental hygiene, and that satisfies all of the
following:
(a) Has been in existence as a group for at least one year.
(b) Meets face-to-face at least once each year to discuss
issues.
(c) Has adopted by-laws governing the operation of the group.
DE 13.03 Continuing Education Requirements for Dentists
(1) COMPLETION OF CONTINUING EDUCATION CREDIT HOURS.
Except as provided under sub. (6), during the 2- year period immediately
preceding the renewal date specified under s. 440.08 (2) (a), Stats., a dentist
shall complete 30 credit hours of continuing education related to the practice of
dentistry or the practice of medicine. The 30 credit hours of continuing
education shall include not less than 25 credit hours of instruction in clinical
dentistry or clinical medicine. (1m) PRESCRIBING CONTROLLED
SUBSTANCES CONTINUING EDUCATION. The 30 credit hours of continuing
education shall include 2 hours in the topic of prescribing of controlled substances for the treatment of dental pain.
(2) CREDIT FOR TEACHING OR PREPARING A PROGRAM. One hour of
teaching or preparing a professional dental or medical program is equivalent to
one credit hour of continuing education. A licensee who teaches or prepares a
professional dental or medical program may obtain credit for the program only
once during a biennium. Not more than 4 of the 30 hours may be from teaching.
(3) CREDIT FOR COLLEGE LEVEL COURSES. One credit hour of a college
level course is equivalent to 6 credit hours of continuing education. A licensee
may substitute credit hours of college level courses related to the practice of dentistry or medicine for the required continuing education credit hours.
(4) CREDIT FOR DISTANCE EDUCATION. The credit hours required under
sub. (1) may be satisfied by independent study, correspondence, or internet
programs or courses.
(5) CREDIT FOR ACCREDITED RESIDENCY TRAINING PROGRAM. Active
enrollment in an accredited post-doctoral dental residency training program for
at least 12 months of the current licensure cycle will be accepted as meeting
the required 30 credit hours of continuing education.
(6) EXEMPTION FOR NEW LICENSEES. Subsection (1) does not apply to an
applicant for renewal of a license that expires on the first renewal date after
the date on which the applicant is licensed.
(7) CERTIFICATION STATEMENT. At the time of each renewal, each licensee
shall sign a statement certifying that, within the 2 years immediately preceding
the renewal date specified under s. 440.08 (2) (a), Stats., he or she has

 completed the continuing education credit hours required under sub. (1). (8) FAILURE TO COMPLETE CONTINUING EDUCATION HOURS. A licensee who fails to complete the continuing education requirements by the renewal date specified under s. 440.08 (2) (a), Stats., shall not practice dentistry until his or her license is restored under s. DE 2.03 (5). (9) TIME LIMITS ON OBTAINING CREDITS. Credit hours completed before the 2-year period immediately preceding renewal of a license to practice dentistry may not be applied to fulfill the credit hours required under sub. (1). (10) RECORDKEEPING. Every licensee shall maintain a written record of the continuing education hours required under sub. (1) for not less than 6 years after completion of each credit. (11) WAIVER OF CONTINUING EDUCATION HOURS. The board may waive the continuing education requirements under sub. (1) if it finds that exceptional circumstances such as prolonged illness, disability, or other similar circumstances have prevented a licensee from meeting the requirements. DE 13.05 Criteria for acceptance of continuing education programs. (1) DENTISTS. The board accepts continuing education program relates to the practice of dentistry or the practice of medicine. (b) The continuing education program is one of the following: 1. Sponsored or recognized by a local, state, regional, national, or international dental or medical professional organization. 2. A college level course that is offered by a postsecondary institution accredited by the American Dental Association Commission on Dental Accreditation or a successor agency, or by another recognized accrediting body.
3. A study group as specified in s. DE 13.02 (4)
